MEDFORD BOOK STORE'S Fancy Stationery Sale Wednesday to Saturday, May 5, 6, 7, 8

We have always adhered to the policy of marking our goods at a figure giving a fair margin, never cutting prices or having sales. Now we are going to try a new idea. We know the quantity of stationery used in the locality and if we can get a large percentage of the business we can get quantity prices which will enable us to sell at special sales and bunch the business in a few days, sell very much lower than heretofore and lower than any one else can touch.
