A LETTER TO THE PUBLIC

May 7, 1920. TO THE TAXPAYERS AND VOTERS OF JACKSON COUNTY:

Realizing that my present position is one that I cannot neglect and that I am not financially able to spare the time and money in making a personal campaign, I find that it is going to be impossible for me to see each voter personally before the primaries, so am taking this means of more clearly informing the people as to my qualifications for the office I seek.

Believing that the taxpayers now as never before realize that the tax collection matters of Jackson county is the most important part of the sheriff's office, and should have a man at the head of it who is thoroughly qualified in clerical as well as executive work in order to efficiently handle them without having to depend entirely upon deputies, I wish to say:

I am a commercial graduate of two business colleges, namely Commercial Department Ashland State Normal School and of the Capital Business College, Salem, Oregon. I have had many years experience in clerical as well as executive work, but here give only the last few years of same. As assistant chief of police of Ashland during the years 1915 and 1916 I thoroughly familiarized myself with the criminal laws and laws of arrest. November, 1916, was elected city recorder of Ashland and served as recorder and police judge until January, 1918, when I resigned and enlisted in the army for duty in France, returning to the United States May, 1919. I was discharged and returned to Ashland and entered the sheriff's office in July, serving as chief deputy in the tax department the last six months of 1919 where I thoroughly acquainted myself with the work of the office and its needs from a taxpayers' standpoint. In December last I resigned from the sheriff's office to accept the position I now hold as bookkeeper for the H. G. Enders & Son's department store at Ashland.

As a clerical and executive man my record stands open for the closest investigation.

I am 40 years old, born in Josephine county, have been a republican all my life, having never registered or voted otherwise.

I have stated my platform very clearly, one which I can and will fulfill and I feel I can administer the duties of the office in an economical manner, saving the taxpayers money as well as a lot of worry in their tax matters.

Upon the above qualifications and my untiring effort in behalf of those who I am delegated to represent I ask your support for the nomination for sheriff on the 21st. Respectfully,

JOHN B. WIMER, Republican Candidate.

Adv.
