

**CAN YOU LOOK AHEAD AS WELL AS YOU CAN YOOK BACK?**

NO one can, and that's the very reason why at this time when money comes fairly easy you should be feathering your financial nest; putting a secure roof over your head, so to speak.

The few do; the many don't, as the hundreds of people in and around Medford without bank accounts will prove. We have a good job for your earnings here at the First National.

**IOWA BOY WINS PRIZE IN ARMY ESSAY CONTEST**

The winner of the gold medal in the national school contest for the best essay on "The Benefits of Enlistment in the United States Army" was Donald L. Campbell, a fifteen year old student in the Junior class of the Clinton, Iowa high school. His essay is as follows:

As Horace Greely once said "Young man, go west!" we now say, "Young man, join the army!" Why? It is the big opportunity of the age.

Are you physically weak? Health is the first wealth, and the army is a health builder. It provides wholesome food, clean, comfortable quarters and surroundings, proper clothing and medical attention, when necessary. Physical exercise is compulsory, and every encouragement is given athletics. These, with outdoor life, make men straight, strong and healthy.

Do you seek an education? You can attend school at any army post or camp and study grammar and high school subjects.

Would you learn a trade? The government has recently appropriated \$2,000,000 for the establishment and maintenance of vocational schools where you can learn to be a mechanic, auto repair man, electrician, telegraph operator, chemist or almost anything else you wish. These courses prepare you for a return to civil life or continued service in the army.

Do you long for travel and adventure?

Join the army. You can be an engineer at the Panama canal, a wireless operator in the Philippines, a lineman in Alaska, or an aviator flying in the clouds. Whenever possible the government gives you a choice of station.

In the army you can travel, learn and earn at the same time.

You may think army pay low. In addition to the \$30 a month, Uncle Sam pays for your food, clothing, rent, light and fuel. With the present high cost of living why not leave all the worries to Uncle Sam? After thirty years' service you can retire on three-fourths pay plus \$15.75 a month. The army is not all work and drilling. There are movies, libraries, games, dances, and music; furloughs when conditions permit.

Do you admire courage, honesty, square dealing, resolution and tenacity of purpose? You will find these qualities in men like Washington, Grant, Sherman, Roosevelt and Pershing—men developed in our army.

This training of body, mind and soul and these opportunities for education, travel and adventure are more than sufficient reasons for joining the army, but there is another and greater motive for donning the "Olive Drab." Do you love your country and would you be worthy of her? You must be willing to serve her both in war and peace.

Have you, like Nathan Hale, one life to give for your country? If so, join the army.

**HIRAM JOHNSON TO SPEAK IN CITY**

Senator Johnson will speak in Medford a few days before the primary election according to an announcement by Paul Turner of Portland, who is in the city in the interests of the California senator and is making his headquarters at the Holland Hotel. Mr. Turner has just returned from Klamath Falls where a Johnson club was formed and he plans to form a club here. Colonel Raymond Robins who represented the Red Cross in Russia and is a speaker of national reputation, spoke last night in Klamath Falls and is also expected to speak in Medford in the near future. An active speaking campaign is to be conducted thruout Oregon, according to Mr. Turner, until the primaries. People who favor Johnson are asked to confer with Mr. Turner at the Holland.

**MRS. KEMP WILL SPEAK FOR HOOVER**

Mrs. Jennie M. Kemp, well known thruout Oregon as an effective speaker, who was a prominent food administration worker during the war, will speak in Medford next Friday, May 14th, her subject being, "Why I am coming home to vote for Hoover." While Mrs. Kemp's message will appeal particularly to women, she will deal with the political situation in characteristically vigorous fashion, and can be depended upon to draw a large crowd of representative men and women. The place of speaking will be announced later, but it will probably be held in the open air if weather conditions permit. On Thursday Mrs. Kemp will speak in Ashland where a large meeting has been planned.

**A Mower You Can Keep in Good Cutting Order**

When the cutting parts of a mower get out of kilter mower troubles begin—poor cutting, heavy draft and excessive wear usually result.

One of the big advantages of the John Deere Dain Mower is the ability to keep the cutting parts in good working order during the life of the mower. The next time you are in town take time to come in and let us show you why you can get good work out of our mower for years to come.

For instance, you don't have to tear down the mower or send it to a blacksmith shop to re-align the cutter bar or re-center the knife—two simple nut adjustments that can be quickly and easily made right in the field do the job. And the adjustments can be made accurately and they stay made.

Another thing—the John Deere Dain is a mighty easy mower to operate. The powerful lift enables you to raise the bar easily in passing over obstructions or to extreme height. A foot lift working in conjunction with the hand lift makes the mower lift easily.

You never have to back up to get a start in even the heaviest hay. The knife starts cutting the instant the knife is lowered—no lost motion.

You will see big advantages in the drive on this machine—it's extremely simple—the gears are so placed that one set holds the other set in mesh constantly.

The John Deere Dain is the simplest, most powerful and best-built mower we have ever seen. We know it will appeal to you.

Come in—it's to your advantage, to know all about this mower before you buy. While at our store, we want you to see the rest of our line of haying and harvesting machinery. We have a line of machines you can use with satisfaction and profit.
