The Screen

DANCERS START ACTION OF BIG NEW WARWICK FILM

A beautiful and extremely novel prologue is a pleasing feature of "The Tree of Knowledge," Robert Warwick's latest picture, which is being shown at the Liberty theatre today for the last times. The participants are Theodore Kosloff, the well known Russian interpretive dancer and Yvonne Gardelle, also a dancer of note. In a setting representing the garden of Eden they enact the mythical story of the encounter of Adam and his demon-wife Lilith, who is supposed to have inhabited the earth before Eve was created and to have tempted the Man as the serpent tempted the Woman. The prologue is linked up closely with the main story of "The Tree of Knowledge" and fades into the action, which portrays how a modern daughter of Lilith lured the Adam of today and the dire consequences. However, there is a silver lining and the ending is a happy one, thanks to the courage and resourcefulness of the hero, played by Mr. Warwick.

Editor Endorses Film.

Under the heading of "The Theme and Its Treatment," William H. Johnson, editor of the Motion Picture News devoted a whole page to "Dangerous Days," giving this production an endorsement which is, to say the least, sensational. Here are a few excerpts on "Dangerous Days" from Mr. Johnson's Review: "It is a pleasure—as well as a relief to record on this page, the occasional picture which seems to us to mark a distinct and broad advance in production. Such a picture is "Dangerous Days." "The theme is a thoughtful one—the author looked into and under our social, spiritual and economic life—the story makes you think—it aims at something big. "First, perfect continuity—the story moves clearly, swiftly and logically along. The subtitles... They are exceptionally brief, apt and strong 'wallpapers,' every one of them. "We are glad to cite this picture as a well-rounded example of the new kind of picture, the kind the screen calls for now. The genuine example of fewer and better pictures. "WM. H. JOHNSON."

Mary Roberts Rinehart's famous story "Dangerous Days" opens a three-day engagement at the Rialto theatre tomorrow. Ernest Denny's big stage laugh hit! At last on the screen and filled with the charm of the "loveliest girl in pictures." The tale is of an Irish lass who married off her mother by pretending to be married herself. But Peggy soon discovered that "husband" was no figure-head and you'll sit up and notice the rest! A picture sparkling with fun, charmed with conflict, dancing with all-of-a-sudden surprises.

Backache, lame and stiff muscles and rheumatic pains are often symptoms of deranged kidneys. "I had weak bladder, bad kidneys and liver," writes Willie Carter, Luxar, Pa. "I could not sleep well and my back pained me awful... I had a dizzy feeling in the morning. Since taking Foley Kidney Pills I have been relieved of all such ailments." They rid the system of the poisonous acids that cause aches and pains. For sale by Medford Pharmacia. Adr.
