That predicted heavy frost for last night and this morning fortunately passed us by, the weather conditions having changed amaterially by night after the official prediction was given out Monday morning from the San Francisco weather office. It did not get cloudy, but the moisture in the air greatly increased. The lowest official temperature in Medford was 35, which meant 29 to 30 in the low parts of the valley. Government Frost Expert Young greatly relieved the orchardists early in the evening by forecasting that the heavy frost would not materialize. A light to heavy frost is predicted for tonight.

With the primary only a little over a week away politics, both presidential and local are beginning to warm up and street debates are becoming more common downtown. A warm hot air political contest was on between several men at the Nash corner this forenoon. "I tell you this Montaville Flour guy who spouted at the nat last night don't know what he is talking about; he's full of prunes," was the weighty argument heard uttered by one of the debaters, by a passerby. NEW YORK. If you are feeling run-down, weak, nervous, tired-in-the-morning, and generally ailing, these are the symptoms that should warn you to take care of your health.

Four persons in every ten are needing more phosphorus in their bodies. When you see thin and frail people, or those who are anemic, pale, frail, oft despondent or lacking in energy, you may look for the need of certain elements that make for a strong constitution.

Some people, after relying upon preparations composed chiefly of salts, quinine, drastic drugs, iron, calomel, cod-liver oil, etc., wonder why they find no benefit. This is easily explained by the fact that such persons need the phosphoric element, which is a most potent essential to health, and contained in BITRO-PHOSPHATE, the famous health preparation. Now obtainable everywhere.

The right thing for you to do is make a trial of BITRO-PHOSPHATE beginning at once. It is not a patent medicine; the formula is prescribed by many physicians for the ailments and weaknesses mentioned above.

With every box of BITRO-PHOSPHATE, are a few simple health rules and a \$300 guarantee. Buy a box of BITRO-PHOSPHATE. It is sold and recommended by all good druggists everywhere. Adv.
