And still Medford and the valley continue to attract people here thru the climate and beauty from the cold bleak sections of the northwest, which adds to the real estate activity. A woman arrived here from Montana on Monday and reading a real estate firm's advertisement in the Mail Tribune called on the firm next day, was given a ride thru the city and valley and before night had purchased a home for herself and husband, who is a dentist. She says a group of people in their locality in Montana are coming here to locate, altho they have been doing very well financially there, but dislike the cold climate and can now sell out to good advantage and come to Medford.

HAS NO PAIN NOW

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Warner.

Onalaska, Wis.—"Every month I had such pains in my back and lower part of stomach I could not lie in bed. I suffered so it seemed as though I would die, and I was not regular either. I suffered for a year and was unfit to do my housework, could only wash dishes once in a while. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women and decided to try it. It surely did wonders for me. I have no pains now and I can do my housework without any trouble at all. I will always praise your medicine as I do not believe there is a doctor that can do as much good in female weakness, and you may use these facts as a testimonial."—Mrs. LESTER E. WARNER, 1018 Pine St., La Crosse, Wis.

The reason women write such letters to the Lydia E. Pinkham Medicine Co. and tell their friends how they are helped is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved.

Notice!
Saturday, May 8, and each succeeding Saturday thereafter the banks of Medford will close at twelve o'clock—noon.
