THE SEPARATE SKIRT

"For Maytime Wear," suggest golf days, and days when you forget your troubles and go a-touring. Beautiful, handsome and rich skirts are being shown here that suggest the sportiest of days—then, too, the plaids and stripes of heavier weaves suggest the street or the golf links. The sport skirts are mostly of light weight summer fabrics—Georgette crepe, fantasi silks, tricolette, serges and satins. They come in plain styles or styles with lots of fussiness and pleats to them. The colors are white as well as bright and alluring.

Priced \$18.50 to \$30.00
