PROUD OF NAVY

Hon. Thomas S. Butler

This veteran Pennsylvania lawmaker is chairman of the House Committee on Naval Affairs. For years he has advocated the building of the best navy in the world for the United States. Now he predicts that Uncle Sam will have the best equipped navy by the end of 1924 and he is proud of the achievement. The naval appropriation bill this year as recommended by the committee to the House carries \$425,289,574, which is a cut from the estimate as submitted by the Navy Department of \$222,341,650 and a reduction of \$199,617,427 compared with the bill last year. Economy and at the same time a good naval building program is Mr. Butler's purpose.

Economy is the watchword of Congress.

Sparkling eyes, brilliant color, glowing young skin—the result of good health! Even if Nature has endowed you with health and beauty—you must preserve them. You must retain your youth—of spirit—of action—of beauty!

Healthy, young skin creates the impression of beauty more quickly than any other asset. And there are Purola Creams for every Summertime use—to protect your skin from strong sunshine or wind—to cleanse the skin—to build tissue—to keep your skin clean and young.

PUROLA PEROXO CREAM—is a greasless, fragrant, vanishing cream which cleanses and softens the skin, making an excellent base for powder. It is particularly fine for skins inclined to be oily.
