ELECTION, MAY 21

STATE ROADS

Vote 302 X Yes

For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

- 302 X Yes CONSTITUTIONAL AMENDMENT—referred to the people by the Legislative Assembly. LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS.

NO PROPERTY TAX—NO DIRECT TAX, NO INCREASE IN AUTO LICENSE FEES, NO INCREASE OF GASOLINE TAX

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment...

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenue from auto license fees and gasoline tax, without increase of present rates, will be ample to pay both principal and interest on these bonds...

The orioles and bee-martins have arrived and are busy tuning up their voices before beginning the work of building their summer homes.

A flock of strange birds to this region were noticed last week but soon disappeared, probably going on to their destination after a brief rest.

These birds were a little smaller than the robin with a dark yellow body, white wings, with coal black feathers on the lower edge, a head dark brown in color with a large white stripe over each eye, and a short blunt bill.

E. P. Chandler of Rogue River, who is making the race for county treasurer canvassed this district last Saturday.

Mrs. J. O. Johnson who died recently at Pacific Grove, Cal., at one time resided with her husband and children in this community on what was then known as J. O. Johnson's Table Rock ranch, and now comprises the Wykeff, Collins, Chase and Conner ranches.

Mrs. Johnson during her residence here was known as a generous, whole-hearted Christian lady who spent much of her time in the upbuilding of the community and was held in high esteem by her neighbors.

There seems to be a general complaint among farmers' wives of poor hatches from incubators and hens alike this spring in this district.

Sheep shearing is in full swing in this and surrounding districts, with the clip a little lighter than usual.

A party consisting of several people in search of government land thoroughly canvassed this district one day last week but we did not learn as to what success they had.

George Ford of Central Point, who is running two power shearing machines in this vicinity.

Water has been turned into the Table Rock ditch after being turned out all winter while workmen were making repairs, and many farmers have commenced irrigating orchards and alfalfa.

A fair crop of fruit is indicated at the present time in this district by the young fruit on the trees which is making such progress that thinning will commence about the first of June.

A shed for the housing of farm implements is being constructed by E. W. Carlton at the Rodskin orchard.

County trucks will finish hauling pumice to the Agate road next Wednesday and will move to Griffin creek.

J. H. Lydard who some time ago made application for a section of erasing land on the south side of Table Rock has been allowed the same subject to the laws governing this class of land.

Mr. Lydard will move onto this property as soon as a house can be erected and will then take up the matter of fencing it.

Next Friday is the day set apart for the choosing of candidates by the voters of the different parties to represent them in the general election in November and it is altogether as important a time as the general election—let's go to the polls and show our appreciation of a democratic government by exercising the right given us by that government.

Last Friday was the closing day of the Table Rock school and in the evening an entertainment was given by the teacher and pupils consisting of songs, dialogue and recitations, which was greatly enjoyed by those attending and which was one of the best given in the district for many years.
