Dr. C. B. Aizen, of Omaha, Neb., president of the board of trustees of the Osteopathic Research Institute, addressed a meeting of the Southern Oregon Osteopathic society, at the office of Dr. Bertha E. Sawyer, of Ashland, yesterday, his subject being "A Systematic Method of General Diagnosis." His lecture was most valuable from the standpoint of the layman as well as the osteopath, for his method of systematic diagnosis is not only a positive determining factor to the physician in his work, but an assurance to the patient that the real cause of his trouble has been located and can be corrected. At the afternoon clinic Dr. Aizen demonstrated his methods in a most instructive manner.

Chief Os-Ko-Mon With Hitchy Koo

No less than three young women share the honor of being "leading lady" with Raymond Hitchcock in his new Hitchy Koo 1919. Rita Dane, Ruth Mitchell, Florence O'Denishawn share that starring position. In addition there are two Indian contingents headed by Princess White Deer and Chief Os-Ko-Mon respectively.

There is nothing highbrow about Hitchy Koo 1919, but it is, in the language of the herald, "the last word in musical reviews."

Only half the rubbish gathered up at Saturday's clean-up day of the city had been gathered up by Saturday night, and consequently boxes and sacks of refuse matter could be seen Sunday and this morning in front of homes all over the city. The city's auto truck and wagons will have it all gathered up by tonight.

A. C. Howlett, he of Eagle Point Engle's fame, was in Medford a few hours today. He says they only had 79 for dinner Sunday but denies that he either builds fires of morning, splits the wood, peels the spuds or washes the dishes. Mr. Howlett is 88 years old, but is very frisky for his age. He believes the pen is mightier than the axe, the dish-rag or anything else and wields an amusing pen.

Certain-teed Is Easy to Lay

Certain-teed Roofing can be easily laid by anyone who will follow the simple instructions enclosed in every roll.

You don't have to hire experienced roofers. You don't even have to worry about finding skilled workmen. They are mighty hard to get these days.

This fact means two things to you. You save the difference between the wages of skilled and unskilled men. You get your roof laid quickly by men who can be easily obtained.

But Certain-teed Roofing provides for more than a roof that is easily laid. It is guaranteed for five, ten or fifteen years, according to weight. It has never been known to wear out on the roof. It is weather-proof, fire-retarding and spark-proof.

Though there is a shortage of many kinds of roofing, you can always get Certain-teed Smooth-Surfaced Roofing.

See your dealer at once. He either has Certain-teed or can get it quickly from a nearby Certain-teed warehouse.
