

R. A. DENNISON, of Los Angeles, owner and trainer of fine trotting horses, who says Tan-lac put him right back on his feet again, after he had been in bad health for over a year. Declares he is feeling like his old self now.

"For the past year or more I have not been right physically. I just didn't feel good at all, but last April 22nd I had an awful attack with my stomach, which nearly drew me up and I have been worse ever since.

"About the best way I can describe the way I felt is to say I was just leg-weary and all in. I really did not have strength to keep going and I gave up all idea of trying to work. For a long while I had no appetite but would eat anyhow, though my food never seemed to do me any good.

"I would go to bed at night and would sleep but apparently did not rest for I would get up just as tired as when I went to bed. I got so I could scarcely go a block but what I would have to stop and rest.

"Well, I read about Tan-lac one day and that reminded me that a friend had spoken about the same medicine, so I got some and began to take it. I had been taking it about a week when one evening, after supper, I started to walk and before I realized it I had walked up to First Street and back, about 14 blocks, and never felt it at all and then I realized that the tonic was helping me.

"I have taken four bottles now and am just feeling real good again. I am able to be back at the Exposition Stock Yards every day and have just as much energy as I ever had. I get up refreshed in the mornings now and I have a real appetite which makes me enjoy three good square meals every day. Anyone who needs a good tonic will certainly be satisfied with Tan-lac and I am glad to recommend it to my friends."

The above statement was made recently by R. A. Dennison, a well-known owner and trainer of fine trotting horses, residing at No. 214 East 8th St., Los Angeles, Cal. Mr. Dennison has lived in California for 22 years; he is 63 years of age and has followed his present line of business for 30 years. He is well-known on the Pacific coast.

Tan-lac is sold in Medford at West Side Pharmacy and by leading druggists in every town. Adv.

TRAIL NEIGHBORS RAISE BIG PURSE FOR FIRE VICTIMS

TRAIL, May 25.—The neighbors of George Weeks took up a very substantial subscription for them which amounted to about \$175, owing to the family losing everything by fire a few days ago when their house burned down. The neighbors wished to show their sympathy and good wishes in some way besides words.

While there she will attend Pioneer day which is the 4th and 5th of June. She intends to arrive home the 7th of June.

The dance at Trail was a decided success Saturday night, May 22. An unusually large crowd attended. It was a basket lunch, with only hot coffee served.

There were several cars stopped at the Rogue Elk hotel today. From present appearances the tourist travel will be very heavy this year.

Tom Weeks and Ralph Dunlap have started to work at Prospect on the Union creek road.

Dave Pence made a business trip to Union creek Tuesday.

Mr. and Mrs. S. W. Hutchinson spent Wednesday in Medford shopping.

There were very few attended the meeting on good roads Wednesday evening.

The Ash truck brought down a load of men who wished to attend the election Friday. Only a few people voted Friday morning, but during the afternoon the board was kept busy.

SPECULATORS FOLLOW THE PASSING SHOW

Seats for the big New York Winter Garden spectacle, "The Passing Show," coming to the Page theatre Tuesday, June 1, will be placed on sale at the box office tomorrow noon.

To defeat speculators who follow "The Passing Show" from one city to another, buying up the best seats, to be sold to the public at outrageous prices, the management announces that positively not more than twelve tickets will be sold to any one person, unless proper credentials are shown to identify purchaser.

This gorgeous, glittering spectacle, biggest of all Winter Garden Shows, is in fifteen scenes with a score of luring musical numbers, and there is a cast of old and new favorites, each and every one of the members being a whole show in themselves.

"The Passing Show" ran all last summer in Chicago, and has played capacity return dates in all the large eastern cities.

FROST AT BUTTE FALLS DOES BUT LITTLE DAMAGE

BUTTE FALLS, May 26.—A heavy frost visited us Friday night but didn't do much damage, as nothing but early, frost hardy gardens are up. The early potatoes were nipped a little.

Several cars of Medford people came up Saturday afternoon to fish and enjoy our mountain scenery.

Al Hildreth went out on the stage Saturday to deliver the ballot box. The town went democratic, Jennings getting all the votes for sheriff. Socialists were scarce it seems, as I was informed Debs got four votes.

The class of '20 finished their work at the school of Butte Falls, last Friday evening. Rev. Booser of Medford, gave a very interesting talk to the audience as well as the class. Prof. Jewett also addressed the people in the hall, with his winning way, which he brought with him when he entered the school a year ago, and has carried it with him thru storm and sunshine. He finished with a farewell to the class of '20 and introduced Mrs. Mary Cadzow, who presented the four diplomas in the following order: Noma Stewart, Theodore Fredenburg, Glenn Albert, Wilson O'Brien. After the program Mrs. M. A. Clevenger invited the class and their teachers, and gave them the privilege of inviting one of their friends to a reception at her home in their honor. Big Value in Tires for The Smaller Cars

Back of the manufacture of Goodyear Tires for the smaller cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3, 30x3 1/2, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that if you own a Ford, Chevrolet, Dort, Maxwell, or other car requiring one of the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag \$4.50
