# 1000 ATHLETES READY FOR MEET AT PHILADELPHIA

PHILADELPHIA—With more than 1000 entries the forty-fourth annual track and field championship games of the Inter-collegiate Amateur Athletic association of America will be staged at Franklin Field here on Friday and Saturday (May 28-29). In many respects the meet will be the most important staged by the association in some years. The performances of the winning athletes take on added interest due to the proximity of the Olympic Games and the college track coach whose pupils succeed in capturing the point trophy and championship, will stand out prominently as a candidate for the position of trainer ofthe American Olmpic team which will represent this country at Antwerp.

The return to normal,conditions in college athletics following several years of war activities, also brings competition back to the high plane which always marked these titular contests. More than 30 colleges and universities are expected to be represented by teams ranging from 10 to 40 individual athletes, including two strong contenders from the Pacific coast, California and Stanford, with excellent winning records made earlier in the season, will be the far-west invaders, but it is not expected that the middle western institutions will figure in the final result of the meet as the Western Conference games set for June 4-5 are occupying the attention of the athletes of that section to an unusual extent this season.

Close followers of college track athletics are extremely cautious in forecasting the winner due to the widely distributed strength of the material this year. Cornell, Pennsylvania, Princeton, Penn. State, Syracuse, Yale and several other prominent institutions have one or more star performers in either track or field events and the prowess of the invading athletes from the Pacific coast is a factor that must be reckoned with in apportioning the points.

Since the initial meet, held in 1876, Harvard has won the greatest number of championships, the Crimson total for the past 43 games being 13 victories. Cornell and Yale are tied for second place with nine victories each and Pennsylvania is a close third with eight. Cornell has won the last five games the Ithaca university record running back to the 1914 meet. Owing to the war the title contests were not held in 1917.

## COMMUNICATIONS

### Thanks Paper Support.

To the Editor:

In behalf of those citizens who are deeply interested in the future of this great state and of its standing throughout the country, I wish to thank you for the great work you did in giving information to the public relative to the elementary educational bill duringthe recent campaign.

Indications are that the bill has received an immense majority, and I feel that it is through the insistent and consistent campaign of education carried on by the press of the state that the people have been led to see the justice of enacting this measure.

Very Truly Yours,
J. A. CHURCHILL,
Superintendent of Public Instruction.
Salem, May 26.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back its Color and Lustre with Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of muss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite It is not intended for the cure, mitigation or prevention of disease.
