RIVERSIDE RIPPLES

C. F. Pickett, who has been looking after affairs at his sheep ranch on Antelope creek the past week, returned to his home on Riverside Saturday and left again Monday by auto for Antelope creek.

Mrs. Rose Gay, Miss Alice Harper and the children expect to leave Wednesday for Oakland to spend the summer. Miss Harper will attend summer school. They will drive their car thru.

Mrs. Gay took her mother, Mrs. Hodges to Ashland Monday where she will remain for a few days and then proceed to Oakland where she will join the rest of the family. Mrs. C. D. Woolverton accompanied Mrs. Gay as far as Medford.

Mrs. P. McQuat was a Grants Pass visitor Saturday. C. R. Boyd left the first of the week for Paeco, Wash. He expects to be gone about ten days putting in a crop on his new place.

We are glad to note that Mr. Boyd has sufficiently recovered from his recent injury to be able to personally look after his affairs again. He received a severe blow on the side of his face while cranking the engine on his spraying machine about two weeks ago and spent a few days in the hospital at Medford. It was feared for a time that an operation would be necessary.

Mrs. C. D. Woolverton and Miss Bertha Woolverton were in Grants Pass Saturday and brought home 60 Brown Leghorn chicks.

Fred Champlin was in Medford the latter part of the week. Grant Matthews has been suffering with an attack of lumbago the past week. Last reports he was much improved.

Mrs. Frank Elliott and Mrs. Chas. Wahl were calling on Mrs. R. W. Engel and Mrs. G. B. Alden Friday. Mr. and Mrs. G. B. Alden and P. E. Matteson went to Medford Sunday evening and attended the Decoration day exercises at the Page Monday and the Passing Show, Tuesday evening returning to Riverside Wednesday.

The construction of the club house has progressed rapidly during the past week owing to the increased force made possible by the availability of the bridge crew for several days. Mr. Carstens of Rogue River, has charge of the construction and intends to devote his entire time until the completion of the work. He will have the assistance of one carpenter and several volunteer workers from among the club members. We hope soon to see the structure completed.

The paving on the highway has been completed from the Foote Creek store to the Alden ranch—a distance of about one mile, and now the paving crew has been transferred to the county line to complete that part of the Grants Pass road.

Miles Gammel of Phoenix was a caller at the C. D. Woolverton home Sunday. Mr. and Mrs. Daddy Wahl, Mr. and Mrs. Fred Wahl, Mr. and Mrs. Geo. B. Alden, Mr. and Mrs. R. W. Engel, Messrs. F. E. Matteson, Elliott Butler and Adelbert Elliott picnicked on Evans creek Sunday.

The first crop of alfalfa is now being harvested on Riverside. The ditch is now carrying full capacity of water.

Ed Miller of Portland is in Phoenix on account of the serious illness of his father.

Mr. and Mrs. C. M. Parker of Medford were at C. Carey's buying Tomato plants, Monday.

Estel Phillips, Jr., was visiting at the home of his uncle, Joe Rader, near Phoenix Monday night.

Mr. and Mrs. Wm. High of Talent, went down to Rogue River Sunday to visit their daughter, Mrs. A. E. Evans. Mr. and Mrs. C. Carey had the pleasure of accompanying the party. The country is most beautiful in that part of the county just now. The crops are looking fine, the wild Rhododendron is in full bloom; and the mountains are still green, the grass not having begun to dry out yet. The party had a most enjoyable time. After a bounteous dinner they traipsed over the fields and hills, taking pictures of the crops, and of the tall grain and rye, and in gathering wild flowers.

Guests of Mr. and Mrs. J. M. Rader Thursday were Mr. and Mrs. Wm. Gammay of Phoenix and Mr. and Mrs. H. M. Boyer of Portland. Mr. and Mrs. Boyer are here on business and returned to Portland Saturday, having drove through in their car.

GRANDMA NEVER LET HER HAIR GET GRAY

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.
