CENTRAL POINT

The Central Point library is open to the public on Monday and Thursday of each week, hours 2 to 5, and 7 to 9 p. m. There are many good books in the library and every one is entitled to get books, provided he obeys and follows the rules set down by all libraries in regard to borrowing. Good reading is always a profitable and enjoyable diversion and many people will be very glad to have the opportunity of getting good literature twice a week at the library in their own town.

C. N. Davis has resigned as chief clerk in Cowley's Emporium here and has accepted a position in Medford. Mr. Davis was succeeded here by Ray Henderson, well known to the public as he filled the same position here for a few months last summer, and was known as a very efficient and popular manager.

Mayor W. A. Cowley spent the first of the week with his family here, returning to his business at Dunsmuir, Cal., Tuesday evening.

Mrs. Foley and daughter Miss Katherine of Gold Hill were in Central Point one day last week.

A large number of people from in and out of town attended the Decoration day exercises held in Central hall Tuesday afternoon. The program was appropriate and most fitting. Little Francis Faber made her initial appearance in public on that day, reciting, in her sweet babyish voice, a little piece called "The Flag". Small Geraldine Fox again pleased the audience, as in previous years, with a patriotic recitation, and many other children did credit to themselves in the rendition of their parts. Reverend D. E. Millard, of Medford, outdid himself in a splendid address, impressive, eloquent and full of patriotism, and greatly enjoyed. The Ladies' Aid quartet sang two beautiful selections and added greatly to the enjoyment of the day's program.

Wilbur Dunlap of Dunsmuir, Cal., spent Sunday with home folks here.

EVANS VALLEY

About two weeks ago Mr. Donald Dimick and Miss Mary White of Rogue River surprised their friends by getting married. Last Thursday evening the friends of the young couple surprised them by giving them a miscellaneous shower at the home of the bride's aunt, Mrs. Wakeman of Rogue River. The young couple received many useful and beautiful presents. Refreshments of cake and ice cream were served, and in parting all wished Mr. and Mrs. Dimick a long and happy wedded life. For the present, they will reside in Rogue River.

Mr. and Mrs. F. G. Honner took in the Chatauqua at the Pass on Saturday evening.

Eugene Moore, who has employment near Salem, took his folks by surprise last Thursday by making them a visist. He took the return train for Salem on Sunday morning.

Mays Creek school closed last Friday with a picnic which was much enjoyed by the children and their friends. The patrons of the school are much gratified with the splendid work of Miss Taylor, and regret that they cannot retain her for another year. She left that evening for her home in the Pass.

Mr. and Mrs. Smith of California motored out to the Dimicks last week for a short visit. Mrs. Smith is a sister of Ed Dimick.

Mr. Ed Thompson has gone to attend the State Grange at Bend, representing Enterprise Grange of Evans Valley. The prospects are for a lively meeting and we expect to hear all about it when Ed comes back.

Quite a crowd gathered on the Wimer race track last Sunday afternoon to witness some fancy riding. Horses, mules and steers were brought into the arena, and the star performers were Frank Woolridge of the Applegate, Verne Orr and Leslie Miller, and they performed some real "buckaroo' stunts, which thrilled the spectators. Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.
