

# MINING ENGINEER SAYS HE SUFFERED 30 YEARS

Well Known Oregonian Declares Tanlac Has Given Him a New Lease on Life.

"For the first time in thirty years I am now able to eat whatever I want without suffering afterwards," said F. C. Rogers, a well-known mining engineer living at 1075 East Nineteenth street north, Portland, Ore.

"I now know what it is to enjoy fine health, for Tanlac has built me up until I have gained fifteen pounds and today I am feeling better than I have in 25 years.

In 1890 my stomach went back on me and in spite of everything I went down hill until I was a nervous and physical wreck. Everything I ate soured on my stomach, and I would have awful spells of indigestion.

"For days at a time I couldn't retain anything I ate and I had a burning like a coal of fire in my throat and

chest. These spells were so bad sometimes I could neither lie down nor sit up with any comfort.

"I had pains all over my body. I suffered from nausea and gas and bloated up so tight I could hardly breathe. My nerves broke down and I seemed to be playing out altogether.

"Nothing in the way of medicine did me any good until I got hold of Tanlac and now I can hardly remember the day when I felt better. I eat like a bear and never have a sign of indigestion afterwards. The pains and gas have all disappeared and my breathing is free and regular. My nerves are as strong as iron and I sleep as sound as I ever did in my life. I am as sound as a dollar, never miss a day from my work and I feel that I have a new lease on life."

Tanlac is sold in Medford by West Side Pharmacy, in Jacksonville by J. W. Robinson, in Rogue River by W. S. Cary, and by leading druggists in every town.

# EMPEROR CHARLES IS CONFIDENT OF RETURN TO POWER

BUDAPEST.—Former Emperor Charles of Austria-Hungary has sent a letter to his supporters here encouraging them in the hope that he will be restored to the Austro-Hungarian throne.

"Powerful agents are at work to restore the Austro-Hungarian monarchy and thereby prevent the Austrians from joining Germany," the erstwhile monarch wrote from Prangins, Switzerland, where he is still in exile.

"Wait patiently, our trusted and well-beloved, the circumstances are favorable and with the help of God I shall return to my faithful Magyar subjects." The letter was brought by a confidant to Charles' adherents headed by Prince Louis Windischgratz, Counte Julius Andrássy and Baron Joseph Sztrenyi. In it he warned his partisans against making alliances or conspiring with adventurers because, he wrote, he had no doubt about the ultimate victory of the legitimistic principle.

"My claim"—the letter continues—"is supported by the Vatican and backed by the French aristocracy, the clergy and the higher military circles. I hope that the Catholic population of Croatia and Slovakia will be only too glad to return under my sceptre and King Ferdinand of Rumania will not refuse some territorial concessions from me, who saved his throne at the time when Rumania was occupied by the Germans."

# SMUGGLING ON GERMAN BORDER A POPULAR SPORT

BERLIN.—Smuggling over the Dutch and Danish frontiers, which the German government had gone to great effort to suppress, again is flourishing "on a colossal scale" and at some points with the full knowledge and connivance of many government officials, according to reports reaching here. Smugglers are declared to be outbidding the government for the aid of dishonest officials and the "veritable army of customs officers on the borders have permitted millions of marks worth of tobacco, cigars, cigarettes, coffee, and sugar to cross the border duty-free within the last few months."

Flying squadrons of customs officers have been organized by the government to catch the smugglers who are said to have so thoroughly systematized their operations that "customs receipts are rapidly falling back to nothing, for custom control is again only on paper."

Fifty thousand pounds of coffee are being smuggled over the border daily at one point, a report says, and smugglers everywhere are working with the sympathy and assistance of all dwellers along the frontiers.

# PRESIDENT WILSON ON XMAS SHOPPING TOUR

WASHINGTON, Dec. 22.—President Wilson went window shopping on "F" street yesterday viewing the Christmas crowds and brightly decorated shops from an open automobile. Accompanied by Mrs. Wilson, the president was driven slowly down one side of the street which is the main artery of the capital's shopping district and back the other, few in the hurrying crowds of shoppers recognizing the chief executive.

That you get more genuine satisfaction at less cost when you use this class of tobacco.
