ANNUAL CHRISTMAS PLAY PRESENTED AT ST. MARY'S SCHOOL

The annual Christmas entertainment of the pupils of St. Mary's academy was given last Monday evening in the academy auditorium. Every number on the program portrayed the excellent training received by the children. A charming operetta, "Toyland" was presented by the little people of the primary grades. Robert Lewis was a fascinating little elf, and Rosemary Henselman was a particularly attractive paper doll. French dolls, soldiers and sailor dolls, Japanese dolls, jacks in the box and especially Luella Murray the "rag doll" kept the audience interested and amused.

The playlet, "Why Santa Stayed in the Chimney," recalled to many "grown-ups" the happy days of childhood frolics. Other features were a very beautiful rendition of "Silent Night" by the boys' quartet, and an equally splendid chorus "In Old Judea" by the senior girls.

The program finished Mayor Gates after generally congratulating the pupils on the excellence of their work auctioned a 22-pound turkey which has been donated for the benefit of the playground fund by Wallace Dutton, a fifth grade boy. Then came the closing of the bicycle contest. Anna Patton won the fine Dayton's bicycle which had been given by Mayor C. E. Gates and Mr. E. Lamport. The faculty and students of the academy are most deeply grateful to the generous donors for this great aid given the playground movement.

Another recent event of interest was the junior musical given Saturday, Dec. 18th, at 2 o'clock under the direction of Miss Lucille Koontz who has been assisting in the music department. Every interpretation reflected credit on Miss Koontz and showed the energetic work done by each pupil under her instruction.

TRIBUNE SCRIBE

VICTIM OF APRIL FOOL XAMS JOKE

Some wags had, down-town Medford convulsed with laughter this forenoon with an anti-Christmas day prank which partook of the April fool variety and made many citizens feel cheap.

They had a big paper sack stuffed with paper from the ends of which stuck out prominently turkey legs and the head of a turkey, which they placed in the middle of the street car track opposite the Postal Telegraph company office. It looked for all the world as though a big fat turkey had dropped out of some passing delivery wagon or auto, and most people—pedestrians on the sidewalks, or riders in cars—passing by thought so, and bit accordingly.

Of course after lifting the package each realized that he had been sold without hearing the loud guffaws of laughter which came from the waiting crowd on the sidewalk, grinned foolishly and then joined the crowd to witness the next victim's surprise. Among those who bit hard were Chief of Police Timothy, Sheriff Terrill, Colonel H. H. Sargent and—Romeo Koppes.

MISS SMITH TO REDEEM LIFE

(Continued from Page One)

mor business manager for the late Oklahoma republican national committee man and administration of the estate.

There was some speculation as to whether the men would discuss unofficial reports that there is in existence a will bequeathing part of the estate to Miss Clara Smith, now being taken to Ardmore for arraignment on a charge of having killed Mr. Hamon. Mr. Ellis in a statement asserted emphatically that Mr. Hamon left no will.

The Fascinating Drama

"STRANGER"

H. HILL, of Brattleboro, Vt., who says he never felt better in his life than he does now, although before taking Tanlac he was in such a run-down condition he wasn't able to do a day's work for three months. Says he has gained thirty pounds.

"It may sound unreasonable, but when I began taking Tanlac I only weighed 114 pounds and had not been able to work for over three months. Today I have as much strength and energy as I ever had and have actually gained 36 pounds in weight. In fact, I have never felt better in my life, and I owe the remarkable change in my condition to Tanlac and Tanlac alone.

"To tell you the truth I don't know what would have become of me if it hadn't been for this medicine, for I had just about lost my health completely and the treatment I was taking was doing me no good. In fact, I hardly had strength enough at times to walk across the room.

"My principal trouble was indigestion, and I also suffered from catarrh and nervousness. My stomach was in such a weakened condition that I rarely ate any breakfast and had to live on a very restricted diet.

"After reading about Tanlac, I decided one day to give it a trial, and it seemed to suit my case perfectly, for in only a short time I was able to go back to work. I just want to be eating all the time now, and everything—even onions and pork—agrees with me perfectly. I shall always praise Tanlac."

The above statement was made recently by G. H. Hill, a well-known and highly respected citizen of Brattleboro, Vt.

Tanlac is sold in Medford by West Side Pharmacy, in Jacksonville by J. W. Robinson, in Rogue River by W. S. Cary, and by leading druggists in every town. Ady.
