

# TANLAC SALES REACH TREMENDOUS TOTAL

Sales for Present Year Show Increase of Almost One Hundred Per Cent Over Last Year.

20,000,000 BOTTLES ARE SOLD IN SIX YEARS

Celebrated Medicine Has Become Sensation of Drug Trade All Over America and Canada. Best People of Country Indorse It.

Although placed on sale something over five years ago, the demand for the celebrated medicine, Tanlac, has increased at a most phenomenal rate and announcement has just been made by the manufacturers that the total sales will reach approximately 20,000,000 bottles by the end of the present year.

To say that Tanlac now has the largest sale of any medicine of its kind in the world does not begin to tell the story, for no other preparation has ever even approached the marvellous record that has been made by Tanlac and it is now conservatively estimated that the sales by the end of the coming year will reach the astonishing total of 20,000,000 bottles.

Tanlac sales last year amounted to 4,075,948 bottles, establishing a new world record for the sale of proprietary medicines up to that time. This record now pales into insignificance however, as sales received during the first nine months of the present year reached a total of 6,299,000 bottles showing an increase of almost 100 per cent over the corresponding period of last year.

The enormous and ever-increasing popularity of Tanlac is the one great

outstanding proof of its merit. The greatest drug firms of the country have voluntarily come forward and stated in plain, cold figures the record breaking sales everywhere. No medicine of less than superlative quality could possibly attain such a huge sales record, nor gain as has Tanlac, the unqualified endorsement of thousands of well-known men and women from all parts of the country, who stand for the best in their communities.

The greatest test of any medicine is the "repeat" sales it enjoys. Tanlac's phenomenal record has been possible because of the fact that the men and women who buy one bottle invariably return for the second and recommend it to others because it has helped them. Tanlac has been on the market now a little over five years. It has stood the acid test of time. It is known and honored in every city, town, village and hamlet on the American continent from Key West, Florida, to the northern wilds of Canada where even the Indians and derful powers as a medicine.

Millions upon millions of the best people of the country have used it and have told millions of others what it has done for them. That is why Tanlac has become the real sensation of the drug trade all over America.

Tanlac is sold in Medford by West Side Pharmacy, in Jacksonville by J. W. Robinson, in Rogue River by W. S. Cary, and by leading druggists in every town.

# CROWD CHRIST OUT OF MODERN LIVES CHRISTMAS TOPIC

The second Christmas festival concert given Sunday evening at the First Baptist church drew a large and enthusiastic audience, which filled the house. In variety and execution it surpassed any previous concert given by the choir. In addition to the anthems there were selections by the male and ladies' quartet and solo work by Mr. Walker, Mr. Vawter and Mrs. Newberry, all of which were greatly enjoyed and highly commended at the conclusion of the concert. The work of Mr. Walker as director and Prof. Haight as pianist were shown in a remarkable way. Rev. F. R. Leach gave a pointed and earnest address on "No Room in the Inn." The speaker showed how Christ is crowded out of the lives of men and of affairs of life today as well as when Christ was on earth. Announcement was made of special New Year's sermons for next Sunday.

**Methodist Episcopal**  
The Christmas musical service at the First Methodist Episcopal church last evening was characterized by a standard of excellence that was maintained throughout the program.

A capacity audience was present for the opening number. With the lights out, and a most beautiful star shedding its light upon the audience from the upper part of the platform, the ladies' chorus sang while yet in the choir room, "O Little Town of Bethlehem."

The lights were then turned on, and the full vested choir came in singing "Silent Night" as a prelude. This carol was the motive throughout the cantata.

The splendid choral organization was never better than in the rendition of that master-piece of Dudley Buck's, "The Coming of the King." Under the able direction of Mrs. May Jordan MacDonough, with Miss Mattie Vroman at the piano, and Mrs. W. M. Van Scoyoc and Mr. Bernard Roberts alternating at the organ, this cantata was rendered in a manner that inspired the audience with the true spirit of Christmas.

**Christian Church.**  
Sunday was a busy day at the Christian church commencing with Sunday school at 9:45, when the primary department met in their new room in the basement. The Loyal Daughters class will now occupy the room formerly occupied by the primary department.

At the close of the Sunday school service, Rev. D. E. Millard presented B. W. Paul a signet ring given by the school as a token of their esteem and appreciation for his four years of service. J. H. Berrian has been elected as superintendent for the coming year.

In the evening a beautiful white Christmas was given. The choir rendered a musical program, assisted by Mrs. Edna Isaac, D. E. Millard, Mrs. W. H. Brayton and J. W. Kirkpatrick. The church was decorated in green and white with white bells and stars being used with Christmas greens. A pageant "The Christmas Pilgrim" was given by the Loyal Daughters class, assisted by the Juniors and Intermediate department.

Friday evening will be homecoming and watch service. Every one will come with well filled baskets.

**FIND DRIVER WAS CARELESS**  
(Continued From Page One).

she saw the lights of the DeWitt car coming for a quarter of a mile. She testified that its speed was 35 miles an hour, and that when it was within a short distance, she screamed: "My God, he's not going to turn out," and ran down the side of the car.

"If I had not," she further testified "I would be where Mrs. Jennings is." She also said that the last words of Mrs. Jennings were: "Why do they use such bright lights."

Mrs. Evans also testified that the headlights of the DeWitt car were burning brightly, and that there was plenty of room for a car to pass.

Luke Jennings, husband of the dead woman testified that he was at the wheel of his car, when the accident occurred, and that the first intimation he received of the tragedy, was when Mrs. Evans came to him, and said: "Nona has been killed." He ran to her side, assisted in extricating her from the wreckage, and rushed with all possible speed to Ashland. He was not questioned at great length.

Arthur Dressler, Roland Webster and Harold Riddle, three boys en route to Ashland testified that they stopped their Ford 30 yards south of the first wreck, and went back to investigate. All testified that DeWitt was coming at "about 35 miles per hour," and that his headlights were burning undimmed. They helped to take Mrs. Jennings from the wreck.

Mrs. Jennings was standing behind the Evans car chatting with Mrs. Evans when the DeWitt car crashed into it, with terrific force, and both limbs were mangled at the knees. The leather coat she wore at the time was offered as evidence and it was badly torn. She died at 4 a. m., opiates being administered by Dr. F. G. Swendenburg of Ashland, who was also a witness explaining the cause of death.

Mrs. Jennings was a sister of Milton A. Miller, internal revenue collector at Portland, Oregon, and well known in this city. She lived for many years at Gold Hill. The funeral services will be held from the Perl chapel Tuesday afternoon at 2:30 o'clock.

# Y. M. C. A. 'GYM' WORK TO START FIRST OF YEAR

That long-talked-of and long-hoped-for Jackson County Young Men's Christian association will soon be a working reality. Cash Wood, the executive county secretary, has arrived here from Pendleton, where he had been in charge of the Y. M. C. A. work in Umatilla county for some time past, and today opened up the Y. M. C. A. headquarters in the Liberty building.

Secretary Wood will form gymnasium classes among the business men, both here and at Ashland, to meet twice a week between 5 and 6 p. m., beginning with the first of the year. The Medford business men's class will meet at the Natatorium.

A feature of the gym class work will be setting up exercises for men in middle life, and the playing of volleyball over a net—a game somewhat like tennis, but played without racquets.

# Y. W. C. A. GIRLS TAKE CHEER OF XMAS TO NEEDY

The Tri-L girls took a bit of Christmas to the sick and shut-ins Christmas eve, through the old familiar Christmas carols. By going about in cars the Sacred Heart hospital, the poor farm and several homes in different parts of town were reached. The caroling was under the direction of Mrs. Genevieve McCorkle. If the carols brought as much joy to those who listened as they did to those who sang, the club girls will be glad. Because of unpaved streets and lack of time, not all of the homes could be reached which were reported to the club.

The Tri-L club will have no meeting this week, but will start out with new enthusiasm the first week of the new year.

The Student club and all the other girl reserve corps found pleasure in the special Christmas service which they gave. One corps made a quilt and others gave baskets of food and dainties.
