U. S. A. PREPARING FOR INCOME TAX RETURNS OF 1920

Extensive plans for aiding taxpayers in filing their income tax returns for the year 1920 are being made by the bureau of internal revenue. Revenue officers will visit every county in the United States to assist in making out the forms. The date of their arrival and the location of their offices will be announced thru the press, or may be obtained on inquiry at offices of collectors of internal revenue and branch offices. The services of government experts heretofore offered to city residents will be continued.

Forms for filing 1920 returns of income will be sent by collectors to persons who last year filed a return. Failure to receive a form, however, does not relieve a person from his obligation to file a return within the time prescribed. Copies may be obtained from offices of collectors of internal revenue, branch offices, post offices and banks, and are expected to be available on or before Jan. 1.

Revenue officers assigned to the work of assisting taxpayers also will be supplied with forms, concerning which, and the various items of income to be included, they will be prepared to answer any and all questions. It has been demonstrated, however, that many questions may be eliminated if the taxpayer, before seeking the assistance of a revenue officer, will carefully study the instructions on the form.

The period of filing returns is from January 1 to March 15, 1921. The tax, this year as last, may be paid in full at the time of filing the return or in four installments, the first of which is due on or before March 15, the second on or before June 15, the third on or before September 15 and the fourth on or before December 15. The first installment must accompany the filing of the return.

Persons whose individual net income for 1920 was \$5000 and less should ask for Form 1040 A. Those whose individual net income was in excess of \$5000 should ask for form 1040.

The bureau of internal revenue is urging taxpayers not to delay in the filing of their returns. Merchants and business men are casting up their accounts for the calendar year 1920. With the facts and figures necessary to make a correct return fresh in their minds, the making out of a form soon after January 1 will be an easier task, the bureau points out, than if delayed.

The requirements of the revenue act relating to returns for the year 1920 are the same as those for the year 1919. Every single person whose net income for 1920 was \$1000 or more and every married person whose net income was \$2000 or more must file a return. The exemptions are \$1000 for single persons and \$2000 for married persons and heads of families, plus an additional exemption of \$200 for each person dependent upon the taxpayer for chief support in such person is under eighteen years of age or incapable of self support. A single person may claim an exemption of \$2000 as the head of a family if he is the sole support of one or more relatives living in the same house with him, and if he exercises control over household affairs. Deductions from gross income to which the taxpayer is entitled in arriving at net income are fully explained in the instructions on the forms.

N. YEARS SERVICE FIRST METHODIST ON FRIDAY NIGHT

Following a custom long established the First Methodist church will observe New Year's eve with a "watch night" social and consecration service. It will be a "family night" for the members and friends of the church. The program will begin at 8 o'clock. Splendid musical numbers are being provided. Other features will be an informal social "mixer", short addresses by heads of departments, a "sing," refreshments, a "praise service," and an address by the pastor.

The Screen

Kept Close to Original "Twin Beds" Script

In transferring the famous farce comedy, "Twin Beds," from the stage to the screen, the original script of the stage play has been followed very closely. The wide popularity of the stage play is believed by Carter De Haven, who produced the picture, to be best upheld by making the film version as nearly identical as possible.

Oftentimes in adapting plays and stories for use as pictures, it is necessary to alter them somewhat, but in the present case a play has been chosen which adapts itself perfectly to screen presentation.

"Twin Beds" is Carter DeHaven's first picture for the Associated First National Exhibitors' circuit, and is reported to be a tremendously satisfactory presentation of one of the funniest plays that ever graced the American stage. The play enjoyed an unusually long Broadway run, and was represented by six road companies, which gave this laughable bedroom farce to practically the whole country.

"Twin Beds" comes as the attraction at the Rialto theatre today for the remainder of the week.

At the Page

Mildred Harris Chaplin
in "Old Dad"

Mildred Harris Chaplin's latest First National starring vehicle, "Old Dad," from Eleanor Hollowell Abbott's widely read story, will be the attraction at the Page theatre, opening an engagement of two days this afternoon.

In this production, Mildred Harris Chaplin deviates somewhat from her more serious roles of the past, and, according to preview reports, is more captivating than ever, revealing a surprising versatility. As Daphne Bretton, she has the role of a young girl who has missed one of life's greatest treasures—mother love—and who is left to the care of a pre-occupied father, blinded to all else but the pursuit of the dollar.

THE relatively small depreciation of the Hupmobile is one reason why it is so generally regarded as a good purchase.

FRIENDS SEE CHANGE IN THIS OAKLAND MAN

A. G. Fuller Says Tanlac Has Restored His Health and He Has Gained Thirty-Five Pounds in Weight.

"My friends all seem astonished at the wonderful change that has taken place in my condition in so short a time," said A. G. Fuller, an expert accountant of 2071 62nd Ave., Oakland, Cal. "Following an attack of the flu in 1919, I found myself in an awful rundown condition. My stomach, which had troubled me for three years, became very much worse and for two months I suffered frightfully. I rarely ate at all during that time and fell off thirty pounds in two weeks. "I was also suffering from loss of

energy and general weakness, and this, as well as the stomach trouble, became much worse. Gas would form on my stomach, causing awful pains and a feeling of suffocation. I was badly constipated and in such misery that I would often roll and toss all night long in my bed. I was so weak and nervous that it was only with great effort that I could do my work.

"My mother persuaded me to try Tanlac and my weight increase was thirty-five pounds—a gain of five pounds above my usual weight—43 thirty days. I can eat anything now without a sign of indigestion, my nerves are back to old time form and I am enjoying life and good health as I have not before in years."

Tanlac is sold in Medford by West Side Pharmacy, in Jacksonville by J. W. Robinson, in Rogue River by W. S. Cary, and by leading druggists in every town. Adv.
