EAGLE POINT EAGLETS

By A. C. Howlett

A. C. Spence and son of Brownboro were business callers Wednesday. Mr. Spence had finished up his road work and was simply waiting to see what the coming county court was going to do in the way of appointing road supervisors in the various road districts in the county, or in other words was on the anxious seat.

Misses Ruth Short of Phoenix and Evelyn Wattenberg, whose home is on the Joe Rader farm on Antelope creek were in town trading with our merchants Thursday morning. Miss Short was spending the holidays with Miss Wattenberg.

Mr. Herrigan, the fish hatchery superintendent of Butte Falls, has succeeded in getting the lumber out and on the ground to make his fish propagating plant, but says that the continuous rains keep the water so high that he is unable to accomplish very much except take care of what he has already done on Antelope creek.

Charley Clark, formerly of this place but recently of Chequillecan, came in Wednesday evening and has been stopping at the Sunnyside since, and Wm. Moore of Butte Falls and Mr. MacMartin also came in and spent the night.

R. D. Henson and son James of the Klum Adver. Co., were out Thursday posting adds and took dinner at the Sunnyside and so did R. D. Flaherty of the Farm Bureau force and W. H. Parker and Susie Jones of Ashland.

John Rader, one of our prominent farmers and stockmen and heavy taxpayers was a business caller Thursday. He reports that the stock is doing fine on the range.

Mrs. Ida Magerly and her daughter Miss Myrtle of Rogue River, were here during the week visiting Mrs. Magerly's sister, Mrs. Frank Lewis. Miss Myrtle Magerly is one of the students attending the state university at Eugene and has been home during the vacation visiting her mother and other relatives.

Talking about the stock doing fine, who ever heard of stock, cattle, horses, sheep and hogs living out on the range up to and including the last day of

December and coming in, many of them fat enough to butcher with a very little feed to harden the flesh, but there is quite a lot of stock around here now that is in fine shape that have not had any feed except what they have gathered off of the range.
Lawrence Luy of Wellen and Misses Zeama and Lola Roberts, formerly of this place but now of Medford, were doing some shopping here Thursday.
Jeff Brophy of Peyton, and Miss Tonn of Lake creek, came in from Medford Friday morning on the stage and Mr. Brophy went on up to connect with the Prospect stage and Miss Tonn went up home on the Lake creek stage.
L. H. Hanson of Los Angeles, who came in from Elk creek Tuesday and has been spending a few days looking over the agate fields started on his journey Friday morning for his home.
Chris C. Beale who has been stopping at the Sunnyside for the past few weeks started for Medford Friday morning to be gone a few days.

Wesley Butler and J. F. Maxfield and son were doing business here getting ready to greet the incoming New Year Friday and so was J. Wattenberg and J. L. Robinson. While in town I asked Mr. Robinson how he came out with his hogs that he shipped thru the Farm Bureau and he said that they all but one brought him ten cents a pound and that one only brought him eight cents per pound and that she, a spayed sow, neat and trim made and what he considered as good as any in the bunch and that the fifteen hogs shrunk two hundred pounds between Medford and Portland, and that he could have sold the corn that he fed them for more money than he realized for the hogs.

George Brown and George Lynch of Ashland were here for dinner Friday and so was Wig Jack of Eagle Point. They seemed to have some deal on here.

One of the Johnson brothers who bought the Haley place just below town was trading with Geo. Brown and Sons Friday.

Pete Young and his sister Clara were also patronizing our merchants Friday.

Charley Terrill, our efficient sheriff and one of his deputies, Mr. J. J. McMahon and W. W. Johnston of the state department, Oregon Experiment station, Corvallis, Ore., came in Friday evening for supper and Mr. Johnston took a room and is expecting to stay some days as he has been appointed to inspect the soil that will be under the contemplated ditch that is being planned to be built from Big Butte creek beyond Butte Falls to irrigate the land along the route from there to the north boundary of Eagle Point and including the country adjacent northeast and northwest as well as east and west of the town. He is inspecting the soil and will report to the commission who will decide whether it is sufficient security so that the state will be justified in becoming security to the bondholders for the interest on the bonds to secure the necessary cash to build the ditch.

There was a masquerade ball given here Friday night and I heard one man say that everybody in town was there except "Dad Howlett," but I think that he was mistaken, nevertheless there was evidently a large crowd for a small village like this. I have inquired of several who were there and tried to find out how many tickets were sold but no one seemed to know but it is estimated that there were at least a hundred tickets sold and some place the number at one hundred and fifty. At any rate there was a good attendance.

MR. OR MRS. DYSPEPTIC

Get rid of Indigestion and Stomach Worries with "Pape's Diapiesin"

"Really does" put weak, disordered stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness due to acid fermentation—that just makes Pape's Diapiesin the largest selling stomach antacid and regulator in the world. If what you eat ferments and turns sour, you belch gas and eructate undigested food or water; head is dizzy and aches; breath foul; tongue coated; remember the moment "Pape's Diapiesin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness. A box of Pape's Diapiesin tablets costs so little at drug stores too.

Charley Clark, formerly of this place but recently of Chequillecan, came in Wednesday evening and has been stopping at the Sunnyside since, and Wm. Moore of Butte Falls and Mr. MacMartin also came in and spent the night.

R. D. Henson and son James of the Klum Adver. Co., were out Thursday posting adds and took dinner at the Sunnyside and so did R. D. Flaherty of the Farm Bureau force and W. H. Parker and Susie Jones of Ashland.

dance and the different costumes were very attractive and some of them were very pretty. Some of the young men dressed as school girls and that caused considerable mirth when, after they had removed their masks it was found that the girls had been sitting in the boys' laps and vice versa. Lunch was served in the hall and I judge by the amount of stuff thrown along the sidewalk, especially the tamales, for there were quite a lot of them thrown along the street that had never been opened. That the "splendid supper" that had been advertised was not up-to-date, but all speak of the affair as a good dance and everything passed off quietly. Along about 4 o'clock this Saturday morning the dance broke up and as the bunch of young folks came into the Sunnyside it sounded to me as the large part of the crowd had come over to sleep in the hotel.

Gov. Dixon Sworn In.
HELENA, Mont., Jan. 3.—Former United States Senator Joseph L. Dixon was sworn in as governor of Montana at 11 o'clock today. The ceremony held in the reception room of the governor's office in the capitol was informal. The oath was administered by Chief Justice Theodore Brantly of the state supreme court.

IF SKIN BREAKS OUT BURNS AND ITCHES APPLY THIS SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

Because of its germ destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness. You do not have to wait for improvement. It quickly shows. You can get a little jar of Mentho-Sulphur at any drug store.
