

# Local and Personal

With a 35 mile gale of wind from 6 o'clock until midnight last night, and another big fall of rain during that time and the remainder of the night, and a heavy snow this forenoon Medford was given a varied taste of weather. The rainfall up to this morning was .59 of an inch, making the precipitation since September 1st amount to 10.84 inches. Last night's rain put Bear creek at its highest stage for years, greatly raised the water in the Rogue river, caused small lakes in the low yards and lots of the city, and flooded street corners where the catch basins were not functioning properly.

## Quaker Minister Is Grateful to Tanlac

Rev. Parker Moon, Carthage, Missouri

Nearly everybody in Southwest Missouri either knows or has heard of the Rev. Parker Moon, who for a full half century has devoted his life and talents to Sunday school and organization work for the Society of Friends or Quakers. He resides at 625 Howard avenue, Carthage, Mo.

"Uncle Parker," as he is more familiarly known, came from fine old rugged Quaker stock, and there is not a better known or more highly respected citizen in that part of the state. In referring to his remarkable restoration to health by Tanlac, he said:

"About five years ago I suffered a general breakdown. My principal trouble was nervous indigestion. My appetite was very poor and my food seldom agreed with me, and I had to live on a very restricted diet. I suffered a great deal from headaches and dizzy spells. I had severe pains across the small of my back and was badly constipated most of the time. In fact, I was so weak and rundown I was not able to attend to my duties.

"This condition made me very nervous and I could not sleep at night. Frequently I would lie awake most of the night and was in that condition more or less for five years. My physician said he could not do anything for me and suggested a change of climate. I then moved to Texas and went back and forth three times, but did not get the relief I had hoped for. Finally, I got so bad off I was not able to get around with any degree of comfort. I was also told I had heart trouble.

"I had read about Tanlac and, as it had been very highly recommended to me, I decided to try it. I got a bottle and had taken only a few doses until I could notice a marked improvement in my condition. I noticed especially that I was not troubled any more with sour stomach after eating, which was a great relief.

"I kept on taking Tanlac until I fully regained my health. My appetite is splendid; I enjoy my meals and I do not find it necessary now to take any laxative medicines of any kind. I can sleep much better and am not nearly so nervous.

"I take great pleasure in recommending Tanlac to anyone who suffers a good system builder, or who suffers with stomach trouble. I have recommended Tanlac to a great many of my friends and am pleased to reach others by giving this statement for publication."

Tanlac is sold in Medford by West Side Pharmacy, in Jacksonville by J. W. Robinson, in Rogue River by W. S. Cary, and by leading druggists in every town. Adv.

### The "Heal-All" of the Indians

There is an herb which grows wild on our Western Plains known as "Mamamita" and to which the Indians attribute wonderful curative and healing virtue.

There is no question but that nature has bounteously provided in the roots and herbs of the field a remedy for many of the ills to which human flesh is heir. This is demonstrated by the wonderful success of that root and herb medicine, Lydia E. Pinkham's Vegetable Compound, which for more than forty years has been relieving women of American from some of the worst forms of female ills. It will certainly pay any woman who suffers to try it. After-war reconstruction necessarily means decline in wages in farm products in fact, in all incomes, but it doesn't mean that you have to change your standard of living. Buy where your dollar buys the most—where you get the benefit of every market decline, where all service luxuries (clerks, credits and deliveries eliminated) and the fewer dollars you get today will go farther than the low value war dollar that that was so easy to get.
