

EDUCATION NEW ASHLAND ORGAN MUSICAL EVENT

ASHLAND, Jan. 5.—Supplementing typical holiday season, are a series of concerts being given this week at the Vining theatre. Illustrating the capabilities of the new \$15,000 Morton pipe organ recently installed in the play house. The "dedication" concert was on Tuesday evening, incident to an attractive program replete with musical and dramatic specialties, notably the photoplay special, "To Save One Woman."

Especially constructed for the Vining, this fine addition to first class equipment is the product of the Morton Organ Co., located at Van Nuys, Calif. For the past three weeks the installation of this premier instrument has been under way, directed by E. Balcom, expert professionally engaged these lines. In its component parts the organ is essentially orchestral, combining French horn, cello, bass viol, cornet, bassoon, flute, oboe, violin and piccolo, also tambourine, xylophone, trombone and drums. Supplementing this extensive instrumentation is a vox humana equipment, which as the term indicates, implies a reproduction of the human voice, a feature wonderful as originally exemplified in the organ at the Salt Lake City Tabernacle and other great instruments throughout the country.

Musical specialties the "opening night" assumed the form of a concert by Gladys M. Knowlton, a professional artist whose abilities in this respect have been demonstrated in the leading theatres of the Pacific coast. Her appearance here was given a local coloring, due to the fact that her parents, Mr. and Mrs. J. H. Priest, are residents of Ashland, and naturally took pride in her appearance at the Vining under such auspicious circumstances, a pride which was justified in view of the evidences of appreciation which greeted the artist at the hands of a large and enthusiastic audience, who also tendered Mr. and Mrs. Bergner, managers of the Vining, congratulations over the installation of the fine pipe organ to the theatre's equipment. As to compositions rendered at the introductory concert, semi-classical might more aptly designate the program's selections, a classification which was adopted in order to exhibit to best advantage the capabilities of the Morton organ technically, add at the same time afford a pleasing arrangement incorporating a wide range of popular melodies, familiar airs ever welcome to the average audience, the "concert pitch" striking a responsive chord.

GERMANY FACES A BIG R. R. STRIKE

LONDON, Jan. 5.—Germany is again threatened with extensive railway and industrial strikes, according to an Exchange Telegraph dispatch from Berlin today.

A large majority of the German railwaymen have voted in favor of a strike, says the message.

In the Ruhr and Rhine industrial districts the dispatch adds, 91 per cent of the workers have voted favorably on a proposition to strike for increased wages.

The ministry considers the demands of the transportation men exorbitant and has threatened with dismissal any of them who go on strike.

TALENT BASKET BALL TEAMS WIN OPENING GAMES

TALENT, Jan. 4.—Two basketball games were staged at Wolters hall, Friday night. The high school team won from an alumni team in a one-sided contest while the Talent men's team won from the Jacksonville team by the score of 49 to 14. The latter game was the main event of the evening and was clean and fast. Jacksonville excelled in passing but was unable to score because of the strong defense put up by the Talent guards. The Talent forwards succeeded in losing their guards most of the time and with more accurate basket shooting would have run up a much larger score. This is the first contest of the season for both teams and indications are that they will be able to give the

other teams of the valley some good games.

A large and enthusiastic crowd attended. Following the game a very enjoyable New Year's dance was held.

Next Friday, January 7, two more games will be held probably with Central Point teams, or Medford Scouts.

The first games of the season which were played here Friday evening, Dec. 24, were also won by the Talent teams both boys and girls playing Central Point boys and girls. The girls scoring 14-9 in favor of Talent, while the boys' score was 31-15, also in favor of Talent. After the games were over lunch was served to the players at the high school building and different ones present called upon to give short talks.

Attention G. A. R.

There will be a regular meeting of Chester A. Arthur Post G. A. R. and W. R. C. in the American Legion hall in the M. F. & H. building, 3rd floor, Thursday evening, January 6th, at which there will be a joint public installation of the officers of the Post and W. R. C. for the ensuing year. The public and old soldiers are cordially invited.

D. W. LUKE, Commander.
J. DAVIS, Adjutant. 245

RECREATIONAL LEADER TO GIVE ADDRESS AT LIBRARY 7.30 TONIGHT

With a view to setting forth the advantages of a year-around recreational program for Medford, H. W. Arbory, a representative of Community Service, Inc., will address a meeting at the public library Wednesday evening, January 6th at 7:30 o'clock. It is hoped that all interested in a richer recreational life for the community will attend this meeting.

Community Service Inc. will be in a position very soon to send specialists to the community for the purpose of holding schools and institutes to train local leaders along the various recreational lines, such as community music, drama, and pageantry, organized play, etc., for young and old.
