ASHLAND, Jan. 14.—At the recent annual meeting of shareholders of the First National Bank the entire board of directors was re-elected, the members including E. V. Carter, C. H. Vaupel, O. Winter, G. W. Dunn, W. H. McNair, T. H. Simpson, F. D. Wagner, E. D. Briggs, and J. W. McCoy. Officers and employees chosen were without specific change, the personnel being as follows: E. V. Carter, president; C. H. Vaupel, vice-president; J. W. McCoy, cashier; J. H. Hardy, H. C. Emery and G. H. Wenner, assistants; Hazel Powell, Allen Walker, and Walter Miksch, bookkeepers. The cashier's report established the fact that 1920 was the most successful year in the institution's history. Deposits averaged over \$926,000, an increase of 35 per cent over 1919, the volume reaching its crest in November to the extent of \$1,061,071.14. Interest paid depositors aggregated \$16,745.24; city, county and state taxes were paid in the amount of \$4,821.42; while the ten per cent bonus to employees, a fixed custom with the First National, was distributed as usual, the amount depending upon the individual salary of each. The bank also reinvested large sums on customers account, safeguarding the channels through which such investments were placed. As reflecting the status of Ashland, commercially, industrially and financially, the statement of its leading bank is most gratifying as pertaining to both town and surrounding localities.

Two phases of crime along divergent lines have been exemplified here of late. The first was the burglarizing of the billiard hall on the plaza, from which a small amount of ready cash was secured. The next was a case of immoral swindling, whereby a local merchant was prevailed upon to cash a worthless check.

William Hibbs is now grocer instead of butcher. In selling out his meat market on Fourth street, he has purchased the Flackus grocery in the same district.

The air was rather frosty on Monday morning, the temperature recording 18 degrees.

Representative E. V. Carter is in Salem during the legislative session, filling the position of chairman of committee on banking. Mrs. Carter is with him, and they will board for the time being at a leading hotel in the state capital.

The body of Leo Parrish, one of the American soldier boys who died in France, has arrived with others at an eastern port and is on the way to Oregon. Interment will be in Ashland cemetery, with full military honors, conducted by Ashland post of the American Legion. Leo enlisted in Portland, and was not a member of the local military organization. The family formerly resided in Ashland. The young soldier's widow and mother will be here at the funeral services.

The Cinderella club will meet on Monday evening, Jan. 17, at Trinity parish house, that location having been decided upon as a more central place in the way of conveniencing the membership.

Nearly 2000 dozen eggs were marketed by the local co-operative association in December. The topnotcher price was 75 cents, minimum 60 cents. The fruit association did an increased business aggregating \$25,000 during the past year in handling the eggs for producers.

The Holywell Community club will meet at the schoolhouse in that district, Friday evening, Jan. 14, in literary and musical program assembled. Interesting features which will be supplemented by substantial eats.

The Presbyterian Missionary society met with Mrs. J. L. Harner, Almond street, on Wednesday. Miss Crawford of New York city, being the guest of honor at a silver tea.

W. G. McDonald of the Elk Hotel on the Rogue, who is wintering in Ashland, has opened an art studio in rooms overhead near Citizens bank. Mrs. McDonald also conducts a cafe in rooms adjoining.

A trio of troop No. 2, Boy Scouts are qualifying for marksmanship in the Junior Rifle corps of that organization. Benton Bowers has won out, as defendant, in the celebrated divorce case in which Mildred Bowers was plaintiff. The supreme court has just decided the case, upholding a decision of the Jackson county circuit court, which holds that an overwhelming preponderance of evidence is against granting the decree as prayer for. Attorney Rose, of San Francisco, Gus Newbury and Porter Neff, of Medford for plaintiff; Briggs & Briggs, of Ashland, for defendant. In the meantime Madame Bowers is in Portland, having taken up technical pursuits qualifying as an architect.

been appointed a director of the Oregon Growers Co-operative association, an action confirming a preference expressed at a primary held in December.

Leonard Pettit, local resident and noted violinist, has been awarded a permanent certificate of membership, as applying to the teachers staff of the Oregon public school system.

Business men kicking the festive football over local streets may be witnessed in the near future, inasmuch as at a luncheon gathering held on Tuesday, the chamber of commerce discussed the advisability of forming an athletic association for business men—amateurs, of course. Other topics discussed included the Southern Oregon Experiment station and community singing. Special stress was laid upon the importance of the annual meeting to be held on Thursday, Jan. 20. Prof. Reimer, of the experiment station, was a leading speaker, also Cash Wood, secretary of the county Y. M. C. A. association.

The neighbors of Woodcraft supper, scheduled for Friday evening this week, has been postponed until a later date. There is a friendly rivalry going on between several teams which have inaugurated a drive for new members, and the delay in feasting is caused by competitive effort being extended as to limitations.

A girlie from down the valley whirled her auto around the curve nearing the plaza, at a speed exceeding limits, and parked near the fountain, contrary to regulations. This was about dusk. The car was a Chevrolet, and the maid was arrayed in apparel of the prevailing disapproved model. "Where are your lights?" queried the cop. "My dimmers are on," quoth the maid. "About all you've got on," was the reply.

Trinity Guild members and their friends are reminded of the request to contribute to the salvage sale to be held on Thursday, Friday and Saturday, Jan 21 and 22, at the parish house. Articles of household use and wearing apparel are solicited.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back its Color and Lustre with Grandma's Sage Tea Recipe.

Common garden sage brewed into a head, will turn gray, streaked and faded hair beautifully dark and lustrous. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Weyth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and lustrous and you appear years younger. Weyth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

DRINK MORE WATER IF KIDNEYS BOTHER

Eat less meat and take Salts for Backache or Bladder trouble—Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone would take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
