Notice

To my many friends and patients, I wish to state that I have decided to remain in Medford, and continue my practice of medicine and surgery. I also wish to state that while I have closed the Dow hospital until a more suitable location is secured, that I have made arrangements with a good hospital to admit my patients for surgical and obstetrical service. ASPIRIN

Name "Bayer" on Genuine

It's criminal to take a chance on any substitute for "Bayer Tablets of Aspirin." Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years, and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neuritis, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve tablets cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monaceti, caidester of Sallicylicacid. Adv.

NAME COMMITTEE TO FORMULATE A SCENIC CAMPAIGN

Governor Oleott has made an appeal to every commercial organization in the state of Oregon that an effort be made to save the scenery along our highways against destruction by those who for selfish reasons are cutting timber and removing native shrubs and destroying the scenic beauties of the state.

In conformity with the request the forum of the Chamber of Commerce last week adopted a recommendation to the board of directors that an organization be made toward the preservation of scenic highways of Jackson county.

The board of directors unanimously adopted the recommendation and authorized the appointment of a committee to have charge of formulating an organization that will carry out the object desired. Those appointed for this work are Benj. F. Lindas, chairman, R. H. McCurdy, A. Holmenstein, Alex Sparrow, Hugh B. Rankin, Edison Marshall and K. E. Hodgman.

In the organization plans to be submitted the committee is to act with an advisory committee consisting of G. A. Gardner, county judge, and County Commissioners James Owens and Victor Bursell.

Immediately upon the completion of preliminary arrangements a convention will be held at Medford of all citizens of the county interested in the preservation of the scenic resources. In having the representatives of the Crater Lake National park, the forestry service and the state highway commission on the committee, all of whom are intensely interested in the objects of the proposed association, there is positive assurance that the movement in Jackson county will be successful and that the scenery, which belongs to all of the people, may be retained intact.

Card of Thanks

We desire to thank our many friends and neighbors for their kindness and sympathy during the sickness and loss of our little one.

The Screen

American Beauty Has Best Role of Career

The famous gambling hall of Monte Carlo, where men and women from the ends of the earth, members of the nobility and royalty, adventurers and the idle rich assemble at the shrine of chance is faithfully reproduced in "Passions Playground," screen version of "The Guests of Hercules," the novel by C. N. and A. M. Williamson. Katherine MacDonald stars in this picture, a First National attraction, showing at the Rialto theatre today and tomorrow. Some typical scenes of the sort of crowds that frequent the notorious gaming resort, where great fortunes are won and lost in a single evening, have been introduced.

'NIGHTIE NIGHT' AT PAGE THEATRE TONIGHT

"Nightie Night" will be the attraction at the Page theatre tonight. It is a rapid fire farce which moves so swiftly that the fun is faster than the Pennsylvania railroad where the first scene takes place in a chair car while the train is supposed to be moving at the rate of sixty miles an hour. The comedy moves even faster, as there are sixty laughs a minute. "Nightie Night" had the distinction of being one of the few plays that received the unanimous endorsement of the entire New York press and enjoyed capacity audiences during its long stay in the metropolis.

A notable feature is to be found in the settings, which are not only exceptionally lovely in themselves, but provide exactly the right background for the story and the characters of the play.

STOP ITCHING ECZEMA

Penetrating, Antiseptic Zemo Will Help You

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying Zemo. Furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment Zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed. For clearing the skin and making it vigorously healthy, always use Zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.

MILITARY FUNERAL HELD FOR PRIVATE OSCAR F. COLLINGS

The body of Private Oscar F. Collings was brought to Medford Sunday morning, and was taken to the Perl undertaking parlors. This is the first body to be brought to Jackson county from overseas. The government gave the families a choice of burial in cemeteries in France, under control of the United States, or being brought to this country at the expense of the government. The majority are leaving the bodies of those who fell in the service in France. The mother of Oscar Collings desired to have the grave of her son where she might visit it. His grave will always be a reminder to our people of the many thousands who lie in foreign soil, where they fell, fighting for the world's civilization.

The funeral services were held at the Perl undertaking parlors at 3 p. m. in charge of the Medford post of the American legion, Rev. F. R. Leach, pastor of the First Baptist church, officiating. The parlors contained a large number of people, who gathered to express their sympathy and interest in the occasion. The service was an unusual one. Mrs. F. R. Leach sang two solos, and Rev. Leach spoke from the words, "Greater love hath no man

than this, that a man lay down his life for his friends."

The speaker rendered a glowing tribute to those who paid the great sacrifice, who did not live to see the results of their labors; they having passed beyond the shouting of the multitudes, the voices of living friends, and of the touch of hands most dear. They bequeathed to others the glory of the honors.

Measured by the results achieved the boys who fell, said the speaker, accomplished more than is given to the average person to accomplish in a life time. It is an honor to put one's life where it counts and means so much for the betterment of the world. The sorrow of the families bereaved is softened by the knowledge that their boys gave their all for a great and lasting cause.

The remains were taken to the Jacksonville cemetery where another short service was held. The burial was of a military character, and was very impressive.

Private Oscar F. Collings, No. 3127991 Co. A, 160 Infantry died in Mesves, Nesves, France, October 7th, 1918 from pneumonia. He enlisted June 27th, 1918 at Jacksonville, Ore. He was the youngest son of Freeman O. and Sophie Collings who reside in the Watkins district. He was 23 years old at the time of his death. He leaves his mother, Sophie, two sisters and five brothers, Mrs. W. N. DeWolfe, Spanaway, Wash., Mrs. W. W. Moses, Placoe, Cal., Albert E. John P., Walter, Zeb J., Frank Collings.

Mr. and Mrs. Wm. Arthurs recently trade their property at Ruch for that of A. L. Goodman at Jacksonville, in which they are now residing.
