Chicago Market
CHICAGO, Jan. 19.—Beans found support lacking in the wheat market today and forced a material setback in values. Opening quotations which ranged from 1/2 to 1 1/2¢ lower with March \$1.73 1/2 to \$1.74 and May \$1.65 1/2 and \$1.66, were followed by additional declines and then something of a rally. Liberal receipts acted as a weight on the corn market. After opening 1/4 to 3/4 cents lower including May at 69 to 69 1/4, prices continued to sag.

GRANDMA NEVER LET HER HAIR GET GRAY

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyneth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.
Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyneth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.
