

SIX DAY BICYCLE RACE ENLIVENED BY A FIST FIGHT

CHICAGO, Jan. 20.—The struggle for leadership in the six day bicycle race became so bitter today that two of the riders engaged in a fist fight. While sprinting to gain a lap on the field, Joseph Kopsky turned too sharply in passing Eddie Madden and when the pace slowed down Madden rode alongside of Kopsky and punched him on the jaw. Kopsky and Madden called their relief partners and went to their dressing rooms to settle the trouble. Quick interference by the other riders stopped the fight.

When the riders ended the eighty-first hour of the race at 11 a. m. the six leading teams had covered 1384 miles two laps. Kochler and Osterrieter were leading in points with 52 and Madden and Magin were second with forty-two.

WILLIE HOPPE DECLINES TO MEET HOREMANS

ST. LOUIS, Jan. 20.—Willie Hoppe champion billiardist, will not contest with Edouard Horemans in a title match until next fall, R. B. Benjamin, the champion's manager announced today, following notification that the Belgian had agreed to Hoppe's "winner take all" proposition.

Horemans Yields to Hoppe. NEW YORK, Jan. 20.—Edouard Horemans, the Belgian billiardist, today announced he would accept Willie Hoppe's terms for a championship match. Hoppe has insisted on a contract giving the winner the total gate receipts, whereas Horemans wanted the winner to receive sixty per cent and the loser forty per cent.

CHRISTY MATTHEWSON FANS OUT THE T. B.'S

NEW YORK, Jan. 20.—Christy Matthewson, former star pitcher of the New York Giants, who for seven months has been fighting with tuberculosis at Saranac lake, scored yesterday. Swathed in robes, he was placed in an invalid chair and wheeled out on the front porch. As his wife sat behind him, both unmindful of the fact that the mercury registered 29 below zero, Christy said: "Tell my friends I am happy and I know I'll get well."

BLUE LAWS REVIVED IN BERWICK, PENNSYLVANIA

BERWICK, Pa., Jan. 20.—Strict enforcement of Sabbath observance laws here is demanded of the police in order by the council today. Ordinances enacted so long ago that the provisions of many of them have been forgotten will be revived. Soda fountains, ice cream parlors, newspaper stands and gasoline stations may be closed Sunday. Newspapers may be sold and drugstores may only dispense medicines.

PREST-ELECT HARDING JOINS ANOTHER BAND

COLUMBUS, O.—President-elect Harding is a regular member now of another band, in addition to the one he tooted the slip-horn in his youth. In addition he has permitted his new musical outfit the use of his gold cornet, presented to him by an Indiana band instrument making company. The next president is a member of the Shrine band of the Scio Consistory here. He was made an honorary member, after he had presented the gold cornet to the band, for its use during his term of office.

Notice To my many friends and patients, I wish to state that I have decided to remain in Medford, and continue my practice of medicine and surgery. I also wish to state that while I have closed the Dow hospital until a more suitable location is secured, that I have made arrangements with a good hospital to admit my patients for surgical and obstetrical service. Dr. McMorris M. Dow, residence: Hotel Holland, Offices: 307-8 M. F. & H. Bldg., Medford. 262\*

New hair for You?

Hair has been grown again, after baldness, in many cases. This is now scientifically proved. Yours may be an amenableness; but you have not been using the proper relief. So do not delay in applying Kotalko. The producers are so confident they offer you satisfactory hair growth or your money-back. Get a small box of KOTALKO at any active drug store. Apply Kotalko each day, watch your mirror! Do a kindly act, show bald friends this advertisement.

WRAP OF PRETTY LINES The yoke that extends almost to the waistline gives a gracefully slim silhouette which will recommend it to the woman of matronly figure. A deep shawl collar and cuffs of self material finish the wrap. Corduroy is the attractive material of it. The color is Nanking blue.

Constance Talmadge at Rialto "Dangerous Business" which opened its engagement at the Rialto yesterday is a film version of the widely read novel "The Chessboard." It is different than the usual run of photoplays inasmuch as in the big scene in which the supposed "husband" orders his bride to undress and go to bed in their bridal suite she is forced to obey through stress of circumstances and no third party breaks down the door and rescues the unwed girl in the nick of time, as has always heretofore happened in the fifth reel. The audience positively gasps at this new and daring situation. It is not a play that is supposed to convey a message, or encompass a vital idea, but the climax of this uncommon plot is too good to spoil in the telling. The heroine is played by Constance Talmadge, whose popularity among film fans will be further enhanced by the freshness and charm she displays in the role of Nancy Flavell. The picture has been lavishly staged and has an appropriate cast.

Chicago Market CHICAGO, Jan. 20.—Apparently erroneous assertions that Argentine had resumed export caused declines in wheat in the market today, but a quick rally ensued. Opening prices, which varied from half to 2 1/4 c lower with March \$1.71 1/2 to 1 7/8 and May \$1.62 1/2 to \$1.53 were followed by upturns that in some cases went above yesterday's finish. Corn, after opening 1/2 c lower to 1/4 c advance, including May at 68 1/2 to 68 3/4, sagged all around and then scored slight gains. Oats started unchanged to 1/4 c lower, May 44 1/2 to 45c, and after a moderate general setback, recovered in full. Lower quotations on hogs pulled down provisions.

N. Y. Stocks

NEW YORK, Jan. 20.—Much of the early advance was lost in the first hour when selling of Baldwin and American Locomotives, Goodrich, United Fruit, Industrial Alcohol and Virginia-Carolina Chemical caused reactions of 1 to 1 1/2 points. This was

followed by purchases of oils and shippings, as well as a variety of specialties. Texas Pacific coal and oil rose 2 1/2. Houston Oil 2 1/2. American Ship and Commerce 2. American Linseed 2 1/2. International Paper 2 1/2. Writing Paper preferred two and Remington Typewriter 2. Rails were neglected, the only movement in that quarter being a gain of 1 1/2 points in Texas and Pacific. Call money opened at 6 per cent and demand bills on London rose to \$3.75, the highest quotation since last July.

NEW YORK, Jan. 20.—Oils and specialties continued to improve at mid-day. Houston Oil increasing its advance to six points, Asphalt rising 4 1/2. Sumatra Tobacco 3 1/2 and Seagram Book 2. Rails also became moderately active. Reading and New York Central gaining a point each, while Texas and Pacific extended its gain to 3 1/2 points.

Realizing sales, induced partly by call money's rise to seven per cent and pressure against steels and equipments, precipitated reactions of one to almost four points later. The closing was irregular. Bull pools were active in the stock market today. Season issues made little progress, however, and gains elsewhere were largely cancelled when money rates stiffened. Sales approximated \$50,000 shares.
