TALENT HUSKIES BEAT H. S. ALUMNI BY 23-11 SCORE

In a basketball game, which was a cross between a football contest and a prize fight at Talent last night, a team composed of Medford high school alumni lost to the Talent huskies by a 11 to 23 score. The credit for the victory over the invaders belongs, according to Medford reports, largely to the enthusiasm of the supporters at the side-rails since at times the zeal of the spectators reached such a pitch they surged out upon the floor to aid their tossers. Yells of "kill that bird" and the hostile action of the audience kept the local tossers in constant fear of their lives. The Talent men won their 11 to 23 decision largely by landing more straight hits, uppercuts and south-paw jabs," is the way one witness expressed it.

If a return game can be arranged in this city there should be no excuse for defeat since, in team play and basket tossing, both fives have an even break for honors and it will be a fight to the finish. The Medford line-up was composed of Williamson, Narregan, Fish, Brown, Sherwood, Gentry and Coleman. "Mutt" Williamson, former Medford high school basketball star, is completing arrangement for a American Legion quintet which will play with other valley teams.

Eggs Fall 5 Cents.

SAN FRANCISCO, Jan. 21.—Eggs are dropping toward prices that bring cheer to the housewife as hens are accelerating the laying industry, and a fall of five and one-half cents in the quotations for best grade eggs was made at the San Francisco Wholesale Dairy Produce exchange here today. Fresh extras, highest quality, were quoted today at 56c a dozen. Falling prices will be the order until the peak of production is reached in March, according to dealers.

Chicago Wheat

CHICAGO, Jan. 21.—Wheat prices developed moderate strength today chiefly as a result of seaboard buying. There was a disposition also to construe Argentine news as bullish on the ground that eventual enactment of an export tax on wheat was indicated. Opening prices which varied from unchanged figures to one cent lower, with March $1.68 to $1.68¾ and May $1.59½ to $1.60½, were followed by upturns all around to well above yesterday's finish.

Corn after opening quarter off to 3-8c higher, including May at 68¾c to 68¾c, scored a slight general gain.

Oats were dull, starting ¼ to ½c down, May 45⅝ to 45¾c but later recovered.

Lower quotations on hogs tended to depress provisions.

Sore Throat Chest Colds

Won't Last Many Hours When Begy's Mustarine Gets on the Job.

No mustard plaster that any grandmother ever made goes after inflammation and congestion like Begy's Mustarine, that you can buy at any drug store in a yellow box for 30 cents, and, best of all, there isn't one blister in a whole carload.

Oftimes when you rub it on at night the inflammation is gone in the morning.

But if it isn't all gone, the relief you prayed for is certain.

And it acts just as fast when used for lumbago, neuralgia, the pains of rheumatism and gout or for sore, aching feet.

In fact, for all aches and pains, soreness and swellings, nothing you can buy at any drug store will produce the hoped for result as quickly as Begy's Mustarine, in the yellow box—made of real yellow mustard. It's the Quickest Pain Killer on Earth.

N. Y. Stocks

NEW YORK, Jan. 21.—Steels, coppers, leathers, tobaccos, chemicals and the utilities were carried down one to almost three points in the broader reactions of the first hour. Oils also became heavy. From the lower levels there were rallies of one to three points. The market failed to hold, however, prices breaking again before noon. Call loans opened and renewed over the week-end at seven per cent and offerings of time money were small. British exchange improved, approaching its recent maximum figure.

The lighter dealings of the mid-session embraced various of such specialties. American Zinc preferred, American Agricultural Chemical, Allied Chemical, Ajax Rubber, May Department Stores, American Can, Harvester and Pressed Steel Car sustained losses of one to two points. Coppers and rails also continued heavy with food issues.

Equipments and specialties were the center of selling movement later at a loss of one to three points. Rails also yielded moderately. The closing was heavy.

Lacking the recent support of bull pools, the stock market today reacted irregularly in almost every quarter of the list. Sales approximated 650,000 shares.

COMB SAGE TEA IN FADED OR GRAY HAIR.

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
