The Housewife of 1921

Now that Woman's Suffrage is a reality, the American woman must henceforth be considered not merely as a housekeeper and bottle-maker, but as a voter—a citizen and a force in this busy work-a-day world. With added responsibilities her health should never be neglected, and when beset with ailments peculiar to her sex, she owes it to herself to first give that grand old medicine, Lydia E. Pinkham's Vegetable Compound, a trial, as for over forty years it has been the standby of American women in restoring them to health and strength. Adv.
