Was the Biblical version of our modern saying: "Nothing succeeds like success." So it was with Dr. Pierce, of Buffalo, N. Y., who, over 50 years ago, gave to the world a Prescription which has never been equalled as a tonic for the weakness of women.

WILLIAM ALLEN WHITE'S BEST NOVEL SCREENED

William Allen White, author of several successful fiction and political works, and noted western political leader and journalist, has written a screen version of his book, "In the Heart of a Fool," and will be the feature attraction at the Page theatre tomorrow.

Mr. White is first and foremost a journalist. At present he is proprietor and editor of the Emporia, Kansas, Gazette. At twenty-four he sprang into the limelight by his article "What's the Matter With Kansas," and became an editorial writer on the Kansas City Star.

Among the books that Mr. White has written are "The Real Issue," "The Court of Boyville," "Strategems and Spoils," "In Our Town," "A Certain Rich Man," "God's Puppets," "In the Heart of a Fool" and "The Old Order Changeth," an authoritative survey of the present-day political situation.

"In the Heart of a Fool" is conceded to be the strongest of the author's works of fiction. As adapted to the screen by the master hand of Allan Dwan, it is a searching study of the marriage problem.

TALENT DEFEATS APPLIGATE MEN, LOSES TO GIRLS

TALENT, Feb. 1.—Two of the most exciting basketball games ever seen in Talent took place yesterday evening, January 28, when the first Applegate girls team defeated the Talent girls by a score of 17 to 10, and the Talent boys won from the Applegate boys 19 to 14.

In the girls game the visitors gained a lead in the first half which the Talent girls were unable to overcome, although they came back strong in the second half and forced the Applegate girls to show the best they had.

The boys game was an exhibition of close guarding with very little fouling. Applegate maintained a lead until the last six minutes of play when a sport of the home team gave them a two-point lead.

The greatest interest was aroused because neither Applegate team had lost a game and a victory for Talent placed her in line for the championship in the league composed of the seven second-class schools in the county.

A final shipment of 18,000 cases was brought from Glasgow.

Mrs. SELCHERT'S DAUGHTER

Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Horicon, Wis.—"My young daughter had been troubled for several months with backache and a bad feeling in her stomach. When she got to the table to eat she did not want anything, while before she was so hungry she could hardly wait for her dinner. The doctors gave her medicine but it did not help her. One day I was reading a little book of yours which was left on my porch and it reminded me that when I was a young girl I took several bottles of Lydia E. Pinkham's Vegetable Compound. So she went to the drug store and got a bottle and after the second one she could eat and has not had backache since. In all she took six bottles of it. She goes to school and on Saturdays helps with the housework. She is a normal, healthy girl now and we recommend your medicine. You have my permission to publish this letter as a testimonial for the Vegetable Compound."—Mrs. FRANK SELCHERT, 150 Larabee St., Horicon, Wis.
