

ASHLAND PEOPLE MAY REORGANIZE THEIR WAR CHEST

ASHLAND, Feb. 9.—Citizens miss the advantages of the community war chest, in view of the relief drive campaign under way, and there is talk of reorganizing the chest feature, this time on a "peace footing." Efforts in behalf of relief work, under the voluntary donation plan, threaten to cease functioning, and this brings to mind the comparative ease with which various needs were met incident to the installation of the community chest during the war period, when specific monthly pledges were collected, varying from two bits to \$25, and covered into this treasury as a clearing house for the allotment of benevolence. During the war the community chest more than filled its mission, both in collecting funds and in the role of lord high almoner in the distribution of them. European relief, especially for women and children, engages the attention just at present, recourse being had to a drive in order to accelerate the collections. As a result of the recent theatrical benefit, the Vining turned over \$119.37 after the returns were all in, this amount being a gross sum, minus any overhead charges. Tickets to the entertainment were donated by Loughlin, local job printer. Nearly a score of pupils participated in the selling, having been awarded prizes in sums varying from 75 cents to \$5.25. Some choice apples were also disposed of, from the Johnson and Owens orchards, these being displayed in bank windows, and owing to the nature of the object in view, were quickly retailed at 25c each. The drive is now on in the way of a house-to-house canvass, both European relief and the Albertina Kerr Nursery Home funds being the beneficiaries in the effort to raise the separate quotas respectively. Saturday of this week is tag day for the nursery home specifically, and it is confidently expected that the maximum will be raised. The Modern Woodmen will vacate Odd Fellows hall in common with several other fraternal affiliations based on the mutual insurance beneficiary plan. The I. O. O. F. have discovered that, in leasing rooms at a profit, they are liable for taxation on the lodge property. Ashland Lodge No. 23 meets in Masonic hall on Thursday evening this week in stated communication, and on Friday evening for work in the second degree. Bishop Warner, of Chicago, will be here Feb. 10 for a week or so, in attendance upon the evangelistic meetings being conducted by the Free Methodist church. Carl Loveland, former band leader here, and since war times a resident of Seattle and vicinity, will return to Ashland and manage the music department in Enders store, the rooms in that establishment formerly occupied as a barber shop now being devoted specifically to a music department. George Barron is home after a five-weeks auto tour through California to points as far as the Imperial valley. His travels recorded an aggregate of 1037 miles going and 1251 miles returning, total 2288 miles, over roads good, bad and indifferent. This mileage consumed 94 gallons of gasoline, for every 25 miles one gallon of oil going up in smoke. Of the six youths who went north a few days ago to enlist in various branches of the government service, two were accepted under rigid examination qualifications, and have been assigned to duties in the aviation service at Mater Field near Sacramento. Their names are Perry Norton and Carvill Thornton. The noted Meadowbrook farm, near Eagle Point, has been leased by Chas. Hash and Jesse Clary of this vicinity, who have entered into a partnership to cultivate the property on shares, for this year at least, and perhaps longer. Well nigh entitled to be classed as a nonagenarian, W. H. Smith, residing on East Main, celebrated his 89th birthday anniversary last week, his daughter, Mrs. Marshall, of Montague, being present. Mr. Smith was a miner and merchant of Siskiyou county in the pioneer days when Henley, on the outskirts of what is now Hornbrook, was the center of great activity. The New York Chamber Music Society appears at the Armory on Wednesday evening, Feb. 9. There will be no seat sale on the scene of the entertainment, consequently reservations should be made at Rose Bros. early. The local management has announced that any excess over actual cost of defraying expenses incident to this big musical attraction, will be diverted to the European war relief fund. C. W. Root, yet remains serious ill to the extent of being removed to the sanitarium for treatment, from his home on North Main. A dozen women belonging to the railroad employes colony here went to Dunsmuir last week, where nine of them were initiated into the mysteries incident to affiliation with the feminine auxiliary of the Brotherhood of Railroad Trainmen, the other three being charter members of the organization who accompanied their prospective sisters as "ladies-in-waiting." If the success attendant upon the appearance here of the New York Chamber Music Society warrants it, the chautauqua management of the winter entertainment course here is in contemplation securing the New York Philharmonic orchestra, another premier attraction, the personnel of which

Includes nearly one hundred star performers. With the change at the Vaupey dry goods and furnishing headquarters, which is scheduled to take place March 1, Medford parties having bought out the business, Willard Veale popular clerk in the establishment for several years past, will "go south, young man," instead of going west. Syd. McNaair, former pharmacist here, is now located in Honolulu, in the employment of the Hollister Drug Co. After a visit in San Francisco for a week or so, V. O. N. Smith is again presiding at the cashier's desk in the Citizens Bank.

PHOENIX SCHOOL NOTES

The Parent-Teachers association met last week; the regular time which comes the first Thursday in each month was changed to the second Thursday in each month. The attendance is growing, and the president, Mrs. Angel, is working hard to make the association a success. Miss Van Sant, the county librarian, gave to the association a very interesting and much needed talk on the plan and working of the county library. A vocal solo, sang by Mrs. Genevieve Wortman McCorkle, was enjoyed and appreciated. Mrs. Fish, the fifth and sixth grade teacher, was responsible for the most excellent program. The basket ball game with Applegate was postponed on account of sickness in the Applegate community. The next game will be played at Talent, February 11. Miss Davis, state supervisor of home economics, of Oregon Agricultural college of Corvallis, gave a very interesting talk on education to the general assembly last Monday.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-time Recipe that Anybody can Apply. The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of Wyeth's Sage and Sulphur Compound, you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole. When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite—colds of the chest (it often prevents pneumonia). It is always dependable.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you. The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Each box of Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
