FIX STOMACH RIGHT UP

"Pape's Diapepsin" at once ends Indigestion, Gases, Sourness, Acidity

You don't want a slow remedy when your stomach is bad—or an uncertain one—a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

When your meals don't fit and you feel uncomfortable, when you belch gases, acids or raise sour, undigested food, when you feel lumps of indigestion, pain, heartburn or headache, from acidity, just eat a tablet of Pape's Diapepsin and the stomach distress is gone.

Table listing various products and their prices, including General Electric, Goodrich, and others.

EAGLE POINT EAGLETS

There were quite a number of people in town Saturday, the day I wrote my last letter for the Mail Tribune.

Sunday was a fine day. We had no rain of consequence and there was nothing of special interest transpired unless it was that a number of Ernest Dahack's friends collected together that day and put his barber shop some few feet back so as to have it out of the street.

where they spent the evening in social chat and card playing. In spite of the rain, mud and rough roads the Medford people will come out, just for pleasure and Sunday we had as dinner guests Mr. and Mrs. E. G. Trowbridge and Mr. and Mrs. Henry Isbell of Medford and later in the day Mr. C. C. Cato, our county pathologist, and Mr. W. Shulmerick of Hillsboro came in and Mr. Shulmerick engaged a room for a few days as he is here in the interest of the Farm Bureau.

Monday was rather a lively day in our little town as it is one of the two days in each week when one of the creamery men of Medford calls and collects the cream that is brought in from the surrounding country, and in addition to that the local ditch company of Eagle Point held their annual meeting to discuss the various subjects that have arisen since the last meeting, and to elect their officers for the ensuing year.

During the course of the proceedings the question came up with regard to the waste or overflow water as some of them who live on the lower end of the ditch complain that some times their land is flooded and at other times there would be a scarcity of water, but it was finally decided that those who were thus troubled with a surplus of water would have to provide overflow ditches to protect themselves.

The Farm Bureau men took advantage of the situation and remained until the latter part of the day and went home with C. E. Bellows. Mrs. John Miller and her daughter of Lake Creek, who went out to Medford last week, returned Monday and went up home on the Lake Creek stage.

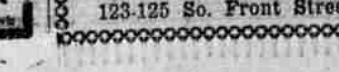

Carl Belberstead was a business caller Monday, and so were Guy Pruitt, E. V. Britton, Ira Henstey and his brother-in-law Shorty Allen of Wellen, W. E. Hammel, L. K. Haak, W. H. Crandall, Thos. Vestal.

John Rader of Wellen, and A. C. Spence of Brownsboro, were business callers Tuesday and C. H. Natwick and son Carlye who have been finishing a contract on the Pacific highway above Ashland, came in Tuesday and spent the night at the Sunnyside.

GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister. Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

and would not yield, but she seemed to be meeting with some success, but Mr. Lewis remained until later in the day and sold quite a number. They all took dinner at the Sunnyside and later in the day J. J. Cator, Derby, and William Moore of Butte Falls, came in and spent the night.
