DON'T FUSS WITH MUSTARD PLASTERS!

Musterole Works Without the Blister—Easier, Quicker

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole.

Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of the present white ointment. It takes the place of mustard plasters, and will not blister.

Musterole usually gives prompt relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite, colds of the chest (it often prevents pneumonia).
