

Lady Druggist's Advice Taken

"My sister-in-law is a druggist. She told me of several bad stomach and liver cases which were benefited by taking Mayr's Wonderful Remedy and advised me to try it. I had numerous bad attacks, due to bloating and had almost constant pain in my stomach before getting your remedy. I am feeling fine now. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by all druggists. Adv.

FIERY, ITCHING SKIN IS QUICKLY SOOTHED WITH THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist. The mentho sulphur preparation is applied to the itching spots and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up. A small jar of Mentho-Sulphur may be had at any good drug store.

Barney Google Says:

"Emerson was mistaken when he said that if a man can make a better mouse-trap or preach a better sermon, the world will beat a path to his door, even though he lives in the wilderness."

Barney knows unless he'd advertise he'd lose out.

We know we sell "GOOD SHOES" at "RIGHT PRICES" and we'll tell the world, Jackson County and Medford about it.

Our little shoe store is past eight years old and "GOOD SHOES" BUILT OUR BUSINESS, backed by advertising.

ARNOLD P. CAROL ON HUNGER STRIKE IN COUNTY JAIL

Arnold R. Carol, a jewelry salesman held in the county jail, awaiting action of the grand jury that convenes next Monday, on a charge of having defrauded the Medford Auto company of this city in the purchase of a Buick auto, has gone on a hunger strike, and has not eaten for five days, according to Sheriff C. E. Terrill.

According to the authorities, Carol refuses food because he does not want to go to prison, and prefers death to a cell.

"I told Carol today that he better get some grub into himself," said Sheriff Terrill, "and he told me he was never going to eat until he was a free man. I told him, 'All right,' and that he could stand it as long as he could. He don't want to eat, because he don't want to go to Salemi. He ought to be fairly empty now."

The sheriff says Carol spends most of his time laying on his cot in his cell, and does not report for meals, but thinks fellow prisoners give him food. Some of the authorities think the attempt is half-hearted, and a theatrical attempt to arouse sympathy.

At the present time a chiropractor at Los Angeles, sentenced to 90 days in on a hunger strike, and it is surmised that Carol got his idea from reading newspaper accounts of the incident.

Carol is a young man, who says his people live in Virginia, and are well-to-do. About the middle of January he negotiated for a car with the Medford Auto company, and proffered a check on the Ladd and Tilton Bank of Portland for \$1800, and gave his note for the balance. He took the car on a plea, he wanted to make a trip to Ashland, and when next seen two weeks later, was in California. The day the check was issued, a telegram from the Portland bank said the check was no good, and an all-night search for Carol was made without avail.

He was brought back from California, and when arraigned in Justice of the Peace Taylor's court, was bound over to the grand jury, and announced that he would have two lawyers from Portland to defend him.

Later, from the county jail, Carol issued a statement denying police versions of his escapades.

PLAN AND MOVE BUY AND BUILD

On February 12, 1921, a fellow in the Saturday Evening Post says that "Prices have never been right within my recollection!" And he's a banker. Been one for forty years. Then he tells about wheat at \$1.60 a bushel. He also refers to the fact that in '96 wheat sold for 50 cents. Continuing, he says that ten years ago wheat got up to only a dollar a bushel, and the whole country roared about rising prices and the high cost of living. Prices are never right!

In the Sunday Oregonian the Portland bankers come to the conclusion that there will not be a business crisis!

Well, here in Medford we came to that conclusion and published it in the Mail Tribune a month ago, when money commenced to flow freely into New York from the interior banks.

Important work is impending everywhere.

Medford and Jackson county have their full share.

Let's forget the fearsome stuff.

Let's remember how sound and fortunate we are.

Let's project, buy, build, and go ahead!

The Farmers and Fruitgrowers Bank says that if the community will do this, in thirty days we will add activity to our prosperity, and everybody will be happy, prosperous and contented.

His Trouble is All Gone

"I was afflicted with pains all over my back and kidneys," writes Charles McAllister, 1 Clark Ave., Kearney, N. J. "After three or four doses of Foley Kidney Pills I became all right and my pain is all gone." Foley Kidney Pills relieve backache, urinary irregularities, rheumatic pains, stiff joints, swollen muscles and other symptoms of kidney trouble. It is a splendid medicine, prompt in action, and always helps. Contains no habit forming drugs. Sold everywhere. Adv.

REHEARSAL ELKS MINSTREL SHOW AROUSES SCRIBE

A big surprise is in store for the audience assembled at the Page next Monday and Tuesday nights, and it looks as though everybody will be there the way tickets are selling. It will be the biggest local laughter hit in Medford's history and will vie with any traveling attraction in merit. The entire company—end men, chorus, orchestra, soloists and specialty performers—has a professional air. It is hard to realize that all these performers are local men.

And in scenic investiture and costuming the Elks' minstrels will be far ahead of most of the professional minstrel shows. About \$500 has been spent in constructing special scenery, electrical effects and other stage decoration.

The effect of the weeks of many rehearsals under Tom Swem, the stage director, has brought the company to perfection and today they could go on the stage and give a finished production. That was proven at last night's rehearsal. Yet there will be daily rehearsals until Monday.

The performance is full of snap and go, novelty and fun. From beginning to end the audience will be convulsed with laughter at the sayings, antics, songs and dancing of the four end men—Larry and Jerry Verne and Mac—who in local life are Lawrence Mann, Jerry Jerome, Vernon Vawter and Paul McDonald.

The reserving of the tickets sold will begin at the Page box office next Friday noon, and ticket holders can now mail in their tickets on which their names should plainly be inscribed, for reservation. These tickets will be reserved in the order in which they come in.

ASHLAND STARTS IMPROVEMENT OF ITS AUTO CAMP

A considerable activity has taken place lately among communities along the Pacific Highway toward increasing or bettering auto camp facilities and among them is our neighboring city of Ashland where they contemplate the construction of a shelter, large fire place and other improvements.

The auto camp park of Portland is being developed to meet the needs of the 1921 season. In addition to the usual facilities of any up to date camp, the area has an added attraction in its proximity to Peninsula park, one of the best equipped in the city. The park is directly across the street from the auto camp grounds and all its advantages—community house, shower baths, locker rooms, swimming pool, playgrounds, grading, sunken rose garden—are to be used by motor tourists.

A twelve-acre wooded plat has been taken over for the auto camp park. Informal roads wind through the woods, giving easy access to the various camping spots, yet preserving the rustic seclusion of the place. Lights, water service, comfort stations, showers, laundry facilities and other needs are installed. The kitchenettes are especially attractive, being developed in rustic style and providing ample cooking stoves, both wood and electric. An administration building will be erected and a store and registration booth will be other features of the development.

An interesting phase of the development is that the plan may be extended each year to suit increasing motor camp traffic.

The park bureau will have the camp grounds in complete running order by April 1 so that the earliest and most adventurous motorists will find adequate camping facilities ready for them.

Sunday's downpour of rain flooded the basement of the Tunny garage on Front street in which the Medford Auto company had 16 new Chevrolet cars in storage. The water, which reached to the flooring of the cars, was pumped out by today and the autos rescued. Close inspection of the cars developed that they did not suffer any damage, and a test of the batteries showed that they were not affected.

CHILDREN'S AILMENTS

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.

Chamberlain's Tablets

H. S. TEAM HOLDS FINAL PRACTICE FOR ROSEBURGERS

Tonight's practice will wind up the preparatory work of the Medford high basketball quintet for the third game with the fast Roseburg tossers, on the Natatorium floor tomorrow night. The local men have been displaying some clever form and improvement in basket throwing in recent tryouts and local adherents are staking their money on a strong come-back on the part of the Red and Black men when they tangle with the northern hoopsters. This game will mean much to the local high school, as it will virtually decide Medford's chances for the Southern Oregon championship and whether or not she will have a chance at the state pennant.

Few Southern Oregon series of past years have aroused the interest of the people of this section as the one this season. Already the advance ticket sale for Wednesday's game has eclipsed that of any other game this season, according to Coach Klum and a record breaking crowd is expected to witness the big scrap. A fast preliminary between a Medford team and the Talent high school squad is being arranged and tomorrow night's card promises to be one of the best Medford people have had an opportunity to see for some time.

GAGNON SELLS 50 CARLOADS OF BOXES

Good news for Medford and Jacksonville is the fact that J. T. Gagnon only recently closed a contract to make 50 car loads of lug boxes (about 2 million feet of lumber) for the shipment of pineapples from the Philippine islands, which it will take five months to complete.

To get out this contract on time, together with other orders, Mr. Gagnon will at once start to operating his west Medford and Jacksonville mills night and day. The boxes will be shipped by train from here to San Francisco and from there will be shipped in boats to the Philippines.

EDISON MARSHALL TO SPEAK AT LIBRARY

Much interest is being manifested in the forthcoming talk by Edison Marshall next Thursday night at the public library under the auspices of the Tri-L club of the Y. W. C. A. The subject of the talk is "Far North and Far South; the experiences of a writer." No admission will be charged and the public is cordially invited to attend.

"I am going to hand out a line on the people, animals, wild life, of these places, together with some personal experiences, and facts about grizzly bears, moose hunting, etc.," says Medford's young author.

OBITUARY

DAVIS—Joshua B. Davis passed away this morning at the home of his son-in-law, P. B. Harrison, 839 East Main street. He came here from Sandusky, Ohio about a year ago. Mr. Davis was a Civil war veteran enlisting from the state of Ohio, serving three years, and has held many offices of trust and honor in his state and in the G. A. R. He was adjutant of Chester A. Arthur post of this city. A man of high ideals and a friend of everyone.

Deceased is survived by his wife and daughter, Mrs. P. B. Harrison. Interment will be at Sandusky, Ohio. Funeral announcement later.

R. A. M. No. 22. Regular Convocation Tuesday, February 15th, 7:30 p. m. A. F. NOTH, 79* Secretary.

South Dakota has one automobile for every six inhabitants.

URGES SUPPORT TO MAKE CITY HEALTH CENTER

The drive for \$4000 to complete the X-Ray laboratory equipment at the Sacred Heart hospital is under way, and the importance of its success to every man, woman and child in the Rogue River valley is being emphasized by physicians.

"Every hospital in cities furnish their X-ray and laboratory men with a complete outfit," said Dr. R. J. Conroy this morning, "costing not less than \$6000 and pay their specialist a salary besides. Our hospital has been losing money steadily and cannot equip such a laboratory, hence the appeal for funds. Our specialist, Dr. Lincoln Kallen, who is considered second to none in the northwest, does not demand a salary, but does demand and rightly so, that he be given a complete outfit."

"Only once before has the public been called upon to do anything from a health standpoint and that was for a site for the hospital, which was one of the very best investments ever made here."

"If we are to establish a health center here, and do for our people rich and poor, what they are entitled to in the way of modern surgical and life preserving equipment we must have these special ways of diagnosis that all physicians are anxious to have and without which a great element of guesswork enters."

"Dr. Kallen with his limited equipment has, in a short time, helped to clear many cases of obscure sickness. The mere fact that the physicians of the city have constituted themselves into a committee for the collection of the funds is sufficient evidence that they need the new equipment, and

WIFE TAKES HUSBANDS ADVICE

And Is Made Well Again by Lydia E. Pinkham's Vegetable Compound

Springfield, Mass.—"The doctor told my husband that I had to have an operation, otherwise I would be a sickly woman and could not have any more children on account of my weakened condition. I refused to have the operation. My husband asked me to try Lydia E. Pinkham's Vegetable Compound to see if it would not help me. For the first

four months I could do but little work, had to lie down most of the time, was nervous and could eat hardly anything, but my husband was always reminding me to take the Vegetable Compound, which I did. Of my eight children this last one was the easiest birth of all and I am thankful for your Vegetable Compound. I recommend it to my friends when I hear them complaining about their ills."—Mrs. M. NATALE, 72 Fremont St., Springfield, Mass. Sickly, ailing women make unhappy homes, and after reading Mrs. Natale's letter one can imagine how this home was transformed by her restoration to health. Every woman who suffers from such ailments should give Lydia E. Pinkham's Vegetable Compound a fair trial. It is surely worth while.

need it for the betterment of all the people." John S. Orth, cashier of the Medford National Bank is treasurer and all subscriptions can be mailed to him.

U. S. Fleets Return Panama PANAMA, Feb. 15.—The United States Atlantic and Pacific fleets arrived here last evening after completing their joint maneuvers off the west coast of South America. The final event consisted of an attack by destroyers under a smoke screen and practice at formations.

The Pennsylvania Railway has announced that the price will be printed on the face of all its railroad tickets.
