

WOMENS AUXILIARY MEDFORD, OPPOSES JAP COLONIZATION

The attitude of the Medford American Legion on the anti-Jap question was most heartily endorsed by the Women's Auxiliary to that body at the regular monthly meeting held last night in the Legion hall. A resolution was passed approving of the steps taken by the ex-service men at a recent meeting when they expressed their disapproval of Japanese farmers from California settling in this locality.

The women of the auxiliary will help the legion sell tickets for the Ford sedan which is to be given away at a large legion dance, April 1st.

A joint social hour will be held with members of the American Legion according to a motion passed last night. Refreshments will be served and dancing or some other amusement will furnish entertainment.

The women of France are making hundreds of red silk poppies, a poppy being the official flower of the Legion, and auxiliary, which they wish to sell to these organizations in America to aid the Children's Relief fund of France. A letter from the founder of this fund in which she asks cooperation from the Americans was read at last night's meeting. These flowers are to be worn on special occasions and especially on Memorial day.

At the close of the business meeting a social hour was enjoyed at the end of which refreshments were served by a committee composed of Mrs. Geary Garret and Mrs. Treve Lumsden.

STOP THAT ACHE!

Don't worry and complain about a bad back. Get rid of that pain and lameness! Use Doan's Kidney Pills. Many Medford people have used them and know how effective they are. Here's a Medford case:

Mrs. E. Johnston, 124 S. Central ave., says: "I have used Doan's Kidney Pills and found them to be just as represented. I had attacks of kidney complaint and my back ached awfully. It was hard for me to do any work and I also suffered from severe spells of dizziness, and felt tired most of the time. My kidneys acted irregularly, too. I read about Doan's Kidney Pills and used some from the West Side Pharmacy. Doan's soon cured me up in good shape entirely removing the backache and other signs of kidney complaint."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Johnston had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

TICKETS FOR ELK MINSTREL SHOW ARE GOING FAST

There will be fun galore at the Elk's minstrel show next Monday and Tuesday night. From the time the curtain rises until the close of the first part ninth provoking stunts will prevail and in the second part will be interspersed with clever specialties. It's the one great laugh of the year.

No funnier end men were ever seen in Medford,—end men who are real comedians, who can dance, sing and pallaver. Their make up, lines and stunts are great. The superb music and chorus singing,—the jingly, jazzy, tingy airs will make you forget all else and inspire you with an almost irresistible desire to jiggle your feet. Join in with the chorus and almost rise up and about with sheer enjoyment.

When you hear Paul McDonald's plaintive singing of that pathetic ballad, "She Sleeps in the Valley by Request," you will weep tears of laughter—as you watch his face and the antics in sympathy of the other end men.

And just as you feel that you can laugh no more because of sore sides, and yearn for a quiet down of your rigibilities, you find that the fun has just begun, for along come those side-splitting songs of Vernon Vawter and Jerry Jerome, other end men, entitled "Timburtoo," and "Save a Little Dredna for Me." All this is interspersed with comical dialogue, and singing of sentimental songs by Will Vawter, Herbert Alford and others.

Now comes one of the fun specialties of the performance by that other sterling black face comedian, Lawrence Mann, whose song, "You Ain't Heard Nothing Yet," will raise the roof with laughter.

"Oh, dear!" you will sigh when you gain control of yourself, "this is too much. I must rest." But there is no rest in this Elk's minstrel show, for the laughter weary until the final curtain.

For the best is yet to come when the interlocutor announces a song "When My Baby Stumbers," by the Exoma Quartet, which is composed of Larry and Jerry, Verne and Mac the end men. People with weak hearts should not risk hearing and seeing this, although the management will have all arrangements completed to carry out all persons who collapse and need medical attention.

Another striking fun feature is the—this article must be chopped off right here to prevent telling too much of the many good things in store.

The advance ticket sale now insures two crowded houses. Hurry and get your ticket before it is too late. The reserving of tickets sold begins Friday noon.

KHORASSAN BALL AT NATATORIUM TOMORROW NIGHT

The stage is all set for the big spring ball to be given at the Nat tomorrow evening by Fubal Burkan Temple No. 224, of the Dramatic Order Knights of Khorassan, for the benefit of the D. O. K. K. band. Elaborate preparations are being made for the entertainment of the guests, both with refreshments and other things, such as a fancy drill by the Brigades under the instructions of Bill Giffatt. Arrangements have also been made for the appearance of Mr. G. Randolph Thomas, of Portland, the noted baritone, formerly with the celebrated Alcazar Opera company, who will entertain the guests by the rendition of some classic selections. Mr. Thomas is considered one of the best baritones in the theatrical profession, and although not now engaged in that profession, still appears in public. His performance will be an entertaining feature of the evening.

The D. O. K. K. orchestra of 10 pieces will render the latest orchestration in dance music, besides giving some selections of the jazzy jazz kind for the benefit of those who prefer that style of music. A very large crowd is expected to be in attendance and the Dekeys will maintain the past reputation they have established as dance entertainers. As the proceeds are to be devoted for the exclusive benefit of the D. O. K. K. band, the entire community should lend their support by purchasing a ticket.

KOLB AND DILL SEAT SALE OPENS FRIDAY

Kolb & Dill in "The High Cost of Loving" will be at the Page theatre Sunday night, Feb. 20th, and the seat sale will open on Friday, 12 o'clock. As this will be the only appearance of these two stars in this city this season seats should be secured early as the regular theatregoers know that capacity houses generally rule during this engagement, the local management tried to extend the engagement but owing to the length of the tour, the above date was all that was possible to secure and he feels greatly elated that he was able to get them at all as they have a big lot of three and four week stands booked and with the high cost of transportation, shows do not want to make many jumps, especially when the company numbers as many as does "The High Cost of Loving."

Wooden shipbuilding companies won their case when they appeared before the shipping board and argued for prompt settlement of all outstanding claims.

NATIONAL LEAGUE WILL START PLAY ON APRIL 13TH

NEW YORK.—The National league baseball schedule for the season of 1921, as announced recently, differs in few respects from those of recent years. Each of the eight clubs composing the league will play 154 games; seventy-seven of which will be staged upon their home diamond and an equal number upon the fields of rival clubs. But three conflicting dates with American league are shown and these occur at Chicago on May 1; June 29 and September 11. Each Western club will invade the east three times between the opening date April 13, and the closing day of the season, October 2. The eastern teams will circle the western circuit three times during the pennant race.

On the opening day of the schedule Brooklyn will play at Boston; New York at Philadelphia; Pittsburgh at Cincinnati and St. Louis at Chicago. Holiday, Sunday and Saturday games are fairly well distributed. Pittsburgh gets the greatest number of Saturday games at home and the largest number of Sunday games abroad. Brooklyn leads in Sunday contests at home with eighteen.

Twelve states have voted war bonuses to former service men.

"In Every Respect" says the Good Judge

You get more genuine chewing satisfaction from the Real Tobacco Chew than you ever got from the ordinary kind.

The good tobacco taste lasts so long—a small chew of this class of tobacco lasts much longer than a big chew of the old kind. That's why it costs less to use.

Any man who has used both kinds will tell you that.
