

MEDFORD TOSSERS WIN BY 1 POINT AFTER TIE GAME

Two extra five-minute periods of play were necessary to decide the victors of last night's tilt at the Natatorium when the Medford high tossers carried off the honors from the celebrated Roseburg basketball quintet by a 24 to 23 score. It was one of the closest and most interesting contests ever staged on the Nat floor, ragged times, but livened up in the last minutes by some of the cleverest and most spectacular touches of hoop-class seen in Medford for years.

The first half ended with a ten point advantage for the local men, the score being 15 to 5, but in the second period the widely heralded second half come-back of the Orange and Black squad materialized and the game ended with a 22 to 22 tie. Two extra periods were played and in the last Roseburg converted a foul and captain Coleman of Medford dropped the ball in the basket for the winning score leaving the final count 24 to 23 for the local men.

For Medford both guards were whirlwinds on the floor while her forwards played a hard, aggressive game. Coleman of Roseburg proved to be the stumbling block for the Red and Black, scoring most of Roseburg's points. The Roseburg team played a good game as was expected, and pulled off some fifty plays and it is generally conceded that Medford last night was pitted against one of the state's cleverest aggregations. The performance of the Red and Black combination on the floor was good to see and the brand of ball of the Medford men was more than equal to that of former games. Next Saturday night when the two teams will angle again, Medford will have to fit it up in the second half if they hope to smash the formidable hetero-tactic tactics of the visiting line-up.

Local people are busy doping out the landing of the Southern Oregon conference teams, but it will be impossible to line-up anything until after tonight's scrap between Ashland and Roseburg. A large representation from this city is expected to witness the outcome of that game.

In the preliminary the Talent high squad won a close little game from the Medford second team by a 12 to 10 score. This was one of the best preliminary games this season. The line-up for the Medford-Roseburg game was:

- | | |
|-----------------------------------------------------------------------------------------------------------------------------------|--------------|
| Roseburg— | Hunt |
| Medford— | Watson |
| Coleman | Whipple |
| Watson | Whipple |
| Saighman | Campbell |
| Sherrwood | G. Singleton |
| Young | G. Singleton |
| Substitutions—Medford, Prescott for Sherrwood; Sherrwood for Hazen; Roseburg, P. Singleton for Fields; Thursday for G. Singleton. | |
| Officials—Art McKenzie, referee; Stewart and Davis, scorers. | |

ON TIME WEEK TO START ON SUNDAY

Beginning with next Sunday and extended through the entire week will be what is known as "On Time Week" for the citizens of Medford. This is an educational campaign, being conducted by a committee from the Medford Chamber of Commerce and should have a lasting effect upon the residents for a long time to come.

Pupils of the grade and high schools have prepared a great many posters which will be displayed in the store windows, many of which are exceedingly clever. Short stories as to the value of being on time have been written, some of which will be published each day during the week.

The committee in charge of "On Time Week" campaign consists of Aubrey G. Smith, chairman; Mrs. George B. Canode, A. J. Hanby, Miss Elizabeth Ferguson, O. R. Campbell, Miss Ora Cox and Miss Van Meter.

O. A. C. EXPERT TO OUTLINE PLANS OF FAIR GROUNDS

The officers of the Jackson County Fair association have been advised that Professor Arthur L. Peck of the landscaping department of the Oregon Agricultural College will be in Medford Friday and Saturday of this week to confer with them relative to scientific location of the roadways, walks and buildings at the new county fair grounds.

The future success of the county fair depends upon a comprehensive plan of construction and although it will not be possible to provide all of the necessary buildings at one time, provision for their proper location should be made in the very beginning.

Plans are contemplated so that the unit system of construction will be carried out, and in this way provisions will be made for expansion as the needs the fair require same.

The track is not considered as essential for the success of the fair this year as are the buildings which will house the exhibits and stock and therefore these will receive the immediate attention of the officers of the fair association.

A rough outline of the grounds, together with the proposed location of buildings and improvements will be presented to the stockholders of the fair association at their annual meeting, which will be held at the Chamber of Commerce headquarters on Friday evening, February 25 at eight o'clock.

8TH GRADE EXAMS HELD IN COUNTY

JACKSONVILLE, Feb. 16.—For two or three years past, eighth grade state examinations have not been given in the county at mid-year. This year, on request, they were given and fourteen boys and girls from over the county, outside the first class districts of Ashland and Medford, received diplomas. A fair percentage of these immediately entered the various high schools.

It is a matter of great interest to our educators, to ascertain whether or not our boys and girls are held in school through the twelve grades. This mid-term, Medford school report 36 graduates from 8th grade, with 26 of them immediately entering high school. These, with 14 new pupils from other places, makes a 9th B class of 40.

Ashland graduated 28 from 8th grade and entered 30 into high school, which with 15 others, make a 9th B class of 45.

WEDNESDAY FORUM NEAR THE RECORD

The oil forum of the Medford Chamber of Commerce still holds the record for attendance but the one which was held yesterday came very near equaling the number who attended it, there being very nearly one hundred present.

It being prune week, Emil Mohr served his guests with a prune salad and prune pie. It might be said that the prunes represented the Umpqua and Willamette valleys whereas other great fruit districts were represented by C. H. Roberts of Hood River and Fred Parks, an attorney from Yakima, Washington, who claims that his valley is the land of the big red apple.

In addition to the ones mentioned, the other out of town guests at the forum were Mrs. Robert Moffat and Fred Moffat from Klamath Falls, W. B. Duncan of Salem, J. F. Hensel of San Francisco and the following residents of Portland, E. J. Melton, W. H. and A. T. Wallace and George Jackson.

FOUR CANDIDATES ARE INITIATED IN KNIGHTS PYTHIAS

At a regular meeting of Talsman lodge, Knights of Pythias, last Monday night, four candidates were regularly instructed in the mysteries of the rank of esquire, after which the lodge was entertained with an able address by Mr. Cooper. Next Monday night a number of candidates will take the Knight rank work.

Grand vice-chancellor Leif F. Finseth, of Dalles, Oregon, will be present and deliver the class address, after which a banquet will be served.

On Thursday evening, February 17, the Dramatic Order, Knights of Khorassan will give a ball in honor of the 58th anniversary of the order of Knights of Pythias, at the Natatorium, which will be opened by a grand march, headed by the D. O. K. K. band at nine o'clock.

The Screen

A Difficult Role
An actor will cheerfully cut off his beard or shave his head, if it's needed in his role. They asked Lon Chaney, who has the part of "Blizzard" in "The Penalty," the picturization of Governor Morris' startling story, now playing at the Page, to get rid of his legs! He did it. He is fearless in the picture, stumping around with the agility of a permanent cripple. Perhaps the physical suffering involved helps him in effecting the demoniacal scowls that are necessary to his part, for he is as thorough-going a human fiend as can be found in fact or fiction. In order effectually to disguise his lower body, completely hiding his legs from the knees, it was necessary for him to have his legs strapped back, so that he walked on his knee pads. So severe was the strain that he could endure the torture of the vice-like harness not more than twelve minutes at a time. He had to get his legs out, restore circulation, and submit to more suffering time after time.

This Will Astonish Medford People

The quick action of simple witch-hazel, hydrastis, camphor, etc., as mixed in Lavoptik eye wash, will surprise Medford people. One girl with weak, strained eyes was helped by a single application. Her mother could hardly sew or read because of eye pains. In one week she too was benefitted. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cup FREE. Medford Pharmacy, Main and Central Sts. Adv.

CHINA POSTAL SAVINGS BANKS A SUCCESS

SHANHAI—(Correspondence of the Associated Press)—An experiment of the Chinese postal administration in providing facilities for postal savings is held to be successful in a report covering the new system's first six months' period that has been issued by the director-general of posts.

Chinese postal savings banks were opened in eleven district head offices on July 1, 1919, and on the following October, 15 branch banks were opened in 69 subsidiary post offices in these districts. In the first half year total deposits totalled \$154,051 and withdrawals \$46,535. Transactions numbered 6860 making the average sum involved \$29. The appearance of the report in December, 1920, is in accordance with leisurely official practice in China. No figures have been compiled for 1920.

His Trouble is All Gone
"I was affected with pains all over my back and kidneys," writes Charles McAllister, 1 Clark Ave., Kearney, N. J. "After three or four doses of Foley Kidney Pills I became all right and my pain is all gone." Foley Kidney Pills relieve backache, urinary irregularities, rheumatic pains, stiff joints, swollen muscles and other symptoms of kidney trouble. It is a splendid medicine, prompt in action, and always helps. Contains no habit forming drugs. Sold everywhere. Adv.

J. W. SNIDER BUYS ELDRIDGE DAIRY, WILL SELL MILK

One of the biggest business deals of the new year is the sale of the Eldridge Dairy & Produce Co., formerly the Independence Creamery, to J. W. Snider, D. O. Frederick and Howard Grover, who take charge March 1st. The new owners will continue the business at the present location on North Bartlett street and will wholesale and retail butter, ice cream, milk, cream and poultry. The present quarters are being re-arranged to accommodate the milk and cream business that the Eldridge people did not handle.

J. W. Snider has been in the dairy business here for 17 years, except the last two years, when he sold to D. O. Frederick, who has operated Snider's dairy ever since and about six months ago Howard Grover purchased an interest and has been connected with the business. Their city distributing plant and bottling works on North Grape street will be moved to the creamery on North Bartlett. J. W. Snider will be manager of the new farm.

The company's dairy is located on the W. H. Gore land west of Medford and comprises 640 acres, 250 of which is in alfalfa. They have a high class herd of cows and one of the best equipped and most sanitary dairies in the state.

They will continue to purchase all the cream, milk and poultry they can from the farmers.

DEVILS SHORT CUT REVIVAL TOPIC

Tonight will be young people's night at the revival being conducted in the First Methodist Episcopal church. Rev. J. A. Smith will speak to the young people on "The Devil's Short Cuts to Happiness." Many young people have signified their intention to attend.

Rev. Smith has made a most favorable impression on those who have heard him. Splendid audiences have been in attendance each night, and interest is growing daily.

There will be a meeting of Carpenter's Union No. 1840 on Friday evening Feb. 18, at Smith's Hall on North Grape street to discuss getting a wage scale for the coming season. All card men urged to attend. FRANK L. APPELGATE, Secretary.

KOLB AND DILL SEAT SALE WILL OPEN TOMORROW

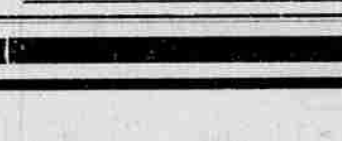

You will again have the opportunity of seeing those two funny comedians Kolb & Dill at the Page theatre Sunday night when they will appear in the "High Cost of Loving," although the team has been offered bookings in the best eastern cities, they have decided to give the people of these parts the first opportunity of seeing their big revival and not play east this season. There has been a great demand for "The High Cost of Loving" again as they played such a long engagement in Chicago that many out here were disappointed by not having the chance to see them in this, their biggest success.

The same cast of principals play the leading roles and the production is newer and on a more lavish scale than before with a list of novelties that would shame the biggest vaudeville theatre.

A bevy of beautiful solo girls and a symphonic jazz orchestra provide features that are second to none. The seat sale will start tomorrow at 12 o'clock.

BE PHOTOGRAPHED THIS YEAR ON YOUR BIRTHDAY SWEM'S STUDIO

It's the inimitable DEL MONTE Tomato Sauce and the DEL MONTE Method of preparation that make DEL MONTE Beans different from any others you've ever tried. And they're as economical as they are good.

With All Cheese Dishes

—for lunches, suppers, special occasions. For rarebit instead of toast, because they're richer and daintier—and for toasted cheese they're incomparable.

The Needless Misery That Women Bear

WHEN the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Doctor Pierce over fifty years ago.

Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all thru treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, and for many disorders common to women in all ages of life. Sold by druggists in tablet and liquid form. Send Dr. Pierce 10c. for trial package.
