

BUY THAT CAR NOW!

THE ONLY SURE WAY

To have that new car this Spring is to buy it NOW. You gain nothing by waiting—but you may lose much.

You remember less than a year ago it was almost impossible to get delivery on any car at ANY PRICE.

TAKE ADVANTAGE OF THIS BUYER'S MARKET

Now you can get any car you choose at a lower price, but if you hold off and expect to buy later, you may not be able to get delivery for automobile factories are only working to part capacity to supply present demands.

When Spring buyers rush in it may take months before you can get your car.

DON'T BE CAUGHT NAPPING.

Get in ahead of the rush. Look back and you will see that conditions changed from a buyer's to a seller's market over night. The swing back may be just as quick.

Today is a buyer's market. Take quick advantage of it, or you may have to buy your car on a seller's market later on.

FORESIGHT BEATS HINDSIGHT.

Enjoy that car now and be sure of having it this Spring. If circumstances prevent you using it now, we will store it for you until March, free of charge.

—But BUY THAT CAR NOW. You have much to gain, nothing to lose.
