NEW YORK, Feb. 19.—Selling of oils and shippings in very large volume was resumed at the opening of today's short stock market session.

NEW YORK, Feb. 19.—(Weekly Wall Street Review).—Trading in stocks and bonds this week was attended by a series of irregular selling movements and enforced liquidation.

Losses were most severe in the shipping, oil and motor issues. Declines followed rumors of further dividend reductions or suspensions.

International credits were extremely unsettled.

NEW YORK, Feb. 19.—Shorts made free use today of further unfavorable developments affecting the oil and shipping stocks.
