DEAR PETEY:

Get you a house and lot you'd stay in W-S a month if you ever got to know folks here like I have. Between business and Reynolds factories and a bully time—we'll my date book has been bubbling over! And, I'm still running into facts that would stagger even your imagination, old football, with all your kick!

Pete, take it straight from government figures direct to you, that every work day in the week R. J. Reynolds Tobacco Co. buys from our "Uncle Sam" enough revenue stamps to pay for a duplicate of the handsome new Winston-Salem post office building! Ever hear of such a thing?

And, if you want to get an eyeful of an army of more than 15,000 people, be down in the Reynolds factory district when the whistles blow! Never saw such a cigarette fring-up time in my life!

Peter, everytime you light a Camel in the future, call back on what I've slipped you about Camels—absolutely, the greatest cigarette at any price—for quality, for refreshing flavor, for mellow mild body, for freedom from any unpleasant cigarette aftertaste or odor! It's worth the busiest smoker's time to compare Camels with any cigarette in the world! Camels are simply a revelation! You know that.

I'll open my eyes in Atlanta tomorrow! In the meantime here's a wad of best wishes I have in stock!

Yours

Shorty. Camel CIGARETTES
