EAGLE POINT EAGLETS

By A. C. Kowlett
G. E. Edler and Miss Celia McAllister of Lake Creek called last Wednesday for dinner and then went on to Medford the same afternoon and Mr. Edler returned this Saturday morning on the 9-15 stage and went up home on the Lake Creek stage.

There were three of the electric men of the California-Oregon Power company came out Wednesday morning to connect up an electric motor for W. L. Childreth in his blacksmith shop as he has installed an electric hammer and grinding apparatus and in addition to hitch up his drill this doing away with a vast amount of hand labor and also saving a lot of time at a nominal expense. He is expecting to do a good business this spring and summer.

There were also two strangers here for dinner the same day but I failed to learn their names.

Pete Young, one of our prosperous readers of the Medford Mail Tribune and hustling farmer, and Ed Coy of Medford were also here Wednesday.

Mr. Coy was out visiting his mother and family and also visiting his father-in-law, W. L. Childreth and family.

Wednesday evening when the Medford stage came in it was just about loaded for in addition to the mail and parcel post there were Charles Boardman, wife and five children. They spent the night at the Sunnyside and the next morning went on up to Butte Falls where Mrs. Boardman expects to visit her father, Mr. Trefren of that place.

Howard Heryford of Butte Falls also spent the night at the Sunnyside.

F. J. Ayres of Reese creek was among the few business callers Thursday morning.

Sam Courtney, our painter also came in Thursday and engaged board and room and went to work on a job for our banker, Mr. H. E. Campbell.

Our new city council has started the ball rolling to beautify and clean up our town, and the mayor, Mr. Campbell, and some of the members of the council are setting an example by planting a row of trees along each side of the street going from the county road to the depot and have commenced to clean up some of the worst looking places and I learned today, Saturday, that the mayor was about to issue a proclamation to the citizens of the town setting a day as clean-up day with an order for every one to clean up their premises and I noticed this afternoon as I was on my rounds that our blacksmith has already begun to clean up around his shop improving the appearance of the place very materially.

We are inclined to give the lady member of the council credit for a great deal of the agitation on the subject of clean up and keep clean movement.

Henry French, one of our prosperous farmers and dairymen brought in quite a lot of trees to be planted in our town and our barber, Ernest Daehack who is also a member of the council, went out with his team and brought in a quantity of young maple trees to be planted along the streets and a tract of land the town expects to secure for a park and camping ground.

Mr. McKissic has moved into the Dr. Holt house, making one more addition to our community of the right type.

Planey Leabo of Trail came out on the Persist stage Friday evening and took a room at the Sunnyside and D. R. Patrick, our carpenter, also returned to his room at the Sunnyside and is doing some work in his line for Frank Brown, one of our merchants.

Charley Dellin came out Friday and brought out some more men and fixtures. He and his men are taking their meals at the Sunnyside and he expressed the hope that he would be able to commence work on his contract next month but the weather looks, this Saturday afternoon, like he might have to put off starting until later, as the ground is so wet that it is very difficult to do anything with it.

I met a man by the name of Adams who has been working with the Rhodes and Price gang and he reported that they commenced to move dirt and in the course of two hours had their teams bogged down for while it looks as though the ground could be worked by the time the dirt is dragged and tramped over a few times it becomes soft and boggy. These contractors are having a hard time this winter on account of so much rain.

There were two men here from Alaska for dinner Friday and while they told some interesting experiences while in the "land of midnight sun" requested me not to mention their names as they wished to avoid publicity.

There has been another change in real estate in our town, Mr. A. H. Thomson of Lake Creek, the merchant having bought what is known as the McQuoid place in our town, which belonged to Mr. McQuoid, Sr., who died some months ago in Oakland, Calif.

Mr. Mills, formerly superintendent of the Butte Falls mill, and Mrs. R. M. Richardson came out Friday on the stage from Butte Falls, and Mrs. Richardson went on to Medford to get a son and daughter returning this Saturday morning and going up to her home.

L. Conger and Herman Meyer, Jr., going to Medford.

Mrs. Gus Nichols kindly gave me the item Friday evening that there were about twenty-five of Wm. Perry's friends and neighbors gave him a surprise party Wednesday evening where they spent the time in a very pleasant way until midnight when they all wished him many more and happy birthdays.

Mrs. Merritt and son of Reese creek were shopping in our town Friday.

CREAM CLEARS A STUFFED-UP HEAD

Instantly Opens Every Air Passage—Clears Throat Too.

If your nostrils are clogged and your head is stuffed because of nasty catarrh or a cold, apply a little pure, antiseptic cream into your nostrils. It penetrates through every air passage, soothing and healing swollen, inflamed membranes and you get instant relief.

Try this. Get a small bottle of Ely's Cream Balm at any drug store. Your clogged nostrils open right up; your head is clear; no more hawking or sniffling. Count fifty. All the stuffiness, dryness, struggling for breath is gone. You feel fine.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers you—Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that most forms uric acid which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful after-dinner lithia-water drink.
