

JACKSON COUNTY PUBLIC HEALTH ASSOCIATION REPORTS SUCCESSFUL YEAR, NEW OFFICERS ARE ELECTED

The annual meeting of the Jackson County Public Health Association was held Feb. 19, at the public library. In the absence of Mrs. Wm. Carlless, president, Mrs. F. W. Mears presided, Mrs. L. Ulrich acting as secretary.

Mrs. Alice Holloway, treasurer, in an informal report, gave an interesting account of the financial struggles of the society and mentioned with enthusiasm the help given by school children in the Christmas Seal sale of 1920.

Community vice presidents who reported were Mrs. Smith of Gold Hill and Mrs. Elmore of Ashland. Mrs. Elmore emphasized in particular the value of the work accomplished in connection with the baby clinic held during the Winter Fair. The follow-up effects of this have been very encouraging.

The chairman of committees, Mrs. Schieffelin for supply, Mrs. Peruzzi for publicity, Mrs. Mears for finance and Mrs. Holloway for finance reported briefly, all dwelling upon the harmony and good will with which the various committees have worked.

Short addresses were made by Miss Pool, on the relation of the home demonstrator's work to that of the association, and by Supt. Smith on the value of health work in the schools. County Supt. Suzanne Holmes, Mr. Briscoe and Dr. Holt were also called upon and responded briefly.

Miss Pallidine, county nurse gave an interesting resume of the work for the year ending Feb. 17, which follows this report.

In a very sympathetic talk, Miss Van Scoyoc, Red Cross nurse, whose time is given chiefly to Medford and Ashland schools, gave her hearers an idea of some of the brighter phases of her duties. Of the hundreds of children whom she has examined, many have been immediately benefited by very slight medical aid.

Miss Schreyer of the state bureau of nurses, and Miss Hartley, acting superintendent of Public Health Association expressed their pleasure at the results attained by Jackson county, and expectation that the future will show even greater accomplishment.

The report of the nominating committee was adopted unanimously and the following declared officers for the ensuing year:

President, Mrs. F. L. Tou Velle, Jacksonville; vice president, Mrs. H. T. Elmore, Ashland; secretary, Mrs. L. Ulrich, Jacksonville; treasurer, Mrs. Corning Kenly, Medford.

- Number of teachers consulted, 76.
- Number of children enlisted in modern health crusade, 48.
- Number of children with defects, 502.
- Number of defects corrected, 40.
- About 50 percent of the children examined at clinics show improvement by follow-up work.

BEFORE AND AFTER CHILDBIRTH

Mrs. Williams Tells How Lydia E. Pinkham's Vegetable Compound Kept Her in Health

Overpeck, O.—"Lydia E. Pinkham's Vegetable Compound helped me both before and after my baby was born. I suffered with backache, headache, was generally run down and weak. I saw Lydia E. Pinkham's Vegetable Compound advertised in the newspapers and decided to try it. Now I feel fine, take care of my two boys and do my own work."

I recommend your medicine to anyone who is ailing. You may publish my testimonial if you think it will help others.—Mrs. CARRIE WILLIAMS, Overpeck, Ohio.

For more than forty years Lydia E. Pinkham's Vegetable Compound has been restoring women to health who suffered from irregularities, displacements, backaches, headaches, bearing-down pains, nervousness or "the blues." Today there is hardly a town or hamlet in the United States where some woman does not reside who has been made well by it. That is why Lydia E. Pinkham's Vegetable Compound is now recognized as the standard remedy for such ailments.

Scene From "Nobody's Fool" at the Page Theatre on March 1st

It's not always the tired, worn out business men who are most in need of a good comedy to soothe their tired nerves, women are also entitled to a share of soothing and after a hard day of housework, or shopping, both men and women refresh themselves by looking over the billboards on their way home, or at the playhouse ads in the paper, and if there is one name that will insure a tonic for tired, weary nerves it is May Robson's.

Augustus Pitou, Inc., presents Miss Robson this season in "Nobody's Fool," a comedy written expressly for her by the well-known dramatic critic and author, Alan Dale, at Page Theatre next Tuesday night. If you are a woman, go to see "Nobody's Fool" for it has in it all you've been thinking and trying to convince your husband ever since you were married. If you are a married man, you should be made to go and see "Nobody's Fool," because it will make you a better and more just man to the longest day you live and it will make you realize that a woman who has the interest of her family at heart can see through all the little intrigues, and by her woman's natural intuition she sees beneath the surface and gains the name "Nobody's Fool," and makes you men sit up and take notice. Seats on sale tomorrow, 12 o'clock.

COMMUNICATIONS

The Colonel Replies to Elks. To the Editor: I understand that at the recent minstrel show of the Elks, a stunt was pulled off representing me as having been very sick as a result of my strenuous efforts in the court house fight. I am very sorry that I was not present to enjoy the joke. However, I may perhaps be permitted to reply that if the pleasant feeling that came to me as a result of the fight was a serious spell of sickness, I hope I may suffer many such spells. But as to the real facts and result of that interesting event, it was, to the best of my recollection, Medford and not I that showed signs of serious illness. H. H. SAIGENT, Jacksonville, February 24, 1921.
