EAGLE POINT EAGLETS

By A. C. Howlett
When I finished writing last Wednesday I found that I had quite a number of items listed down that I had not written up but also discovered that I had already written enough for one letter so left them for my next.
Some twenty or more of the ladies of our town met on Thursday, the 17th at the home of Mrs. J. Frank Brown and organized the Ladies' Improvement club of Eagle Point by electing Mrs. Clem Macdonald, our town recorder and school clerk, as president and Mrs. Mattie Brown as secretary. Light refreshments were served and they were entertained by Mrs. Amy Brown. After spending a while very pleasantly they adjourned to meet on next Thursday, March 3, at the home of Mrs. W. C. Clements, where the club will be entertained by Mrs. H. E. Campbell and Mrs. Clements. As I understand the object of the organization is to keep an eye on the general appearance of the town and suggest any improvements needed to beautify the town and render it a more desirable place to live in and to have a good social time together telling of the virtues and good qualities of their fellow citizens.
Pete Betts came in Tuesday the 22nd and brought John Howard, one of the old civil war veterans with him who went out to Medford with Dr. Holt the same day, returning on Thursday evening and spent the night at the Sunnyside.
C. A. Pickle also came for dinner Thursday. He was out reading the meters for the electric company. S. E. Tubbs and Charley Brown of Medford and Mr. McCabe of Reese creek were here for dinner the same day. Charley Brown was out trying to find some one who could supply with a Fordson tractor.
Mr. L. Hogan of Portland, came out Thursday on the Trail stage and remained with us until Friday afternoon. Mr. McKissic and F. G. High of Ashland were here for dinner. They are in the employ of E. N. Norton Motor Co. of Ashland. Harry D. Cader was also among the guests at the Sunnyside Thursday.
Our town was visited Thursday by a small band of gypsies who were holding up the citizens they met in order to tell their fortunes. There was one of our prominent farmers in town that day and I learned that one of them believed him of fifty cents as compensation for telling his fortune. Our town marshal was too busy engaged otherwise to look after such trifling incidents so they carried on their traffic unmolested.
Ray Davis of Derby, C. M. Speck and C. J. Brommer were also here for dinner Thursday. Messrs. Speck and Brommer were canvassing this part of the county for fat hogs and veal calves for the Farm Bureau.
Charles Renard and little boy were also diners at the Sunnyside. Mr. Renard was around taking orders for groceries to be delivered in the future. Charley Given came in Thursday and brought six sacks to the Sunnyside.
J. H. Trusty, Sr., of Elk creek came out Thursday and went right on out to Medford with a drummer from San Francisco.
Dr. J. F. Reddy and Robert Whitland of Portland and P. G. Nims also of Portland were here for dinner Thursday and Dr. Reddy and T. J. Tall were here for dinner Friday. They seem to be interested in the construction of the unit of the Crater Lake highway from the desert on the David Cline grade place to Hay creek, although Charley Dellin seems to have charge of that branch of the business. He has now ten men working on the contract and expects to put on a full force as soon as the weather and ground settles so that he can work to advantage. He has a force of six men working on the hill north of Eagle Point on a rock ridge. He commenced to grade down the Cincade hill where he is to make a six foot cut.
Uriah Gordon of Fort Klamath came in Friday and went out to Elk creek on the stage. Charles Leabo was also a

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets
The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.
Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.
Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.
Dr. Edwards' Olive Tablets, known by their olive color.

DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole
When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.

The Jackson-Josephine county line, he held up White, and then forced him to an isolated spot near Jacksonville, where he bound and gagged White and left him in an abandoned prospect hole.
The defense claims that on the day and during the time it is alleged White was robbed and bound and gagged Evans was working in a Medford garage, and could not have committed the crime. Over thirty witnesses have been called in the case.
