URIC ACHO IN MEAT

# **BRINGS RHEUMATISM**

Says a little Salts in water may · save you from dread attack.

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less neat, but drink plenty of good water. Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid which is absorbed into the blood. It is the iunction of the kidneys to filter this ucid from the blood and cast it out in he urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin peres are closed hus forcing the kidneys to do double ork, they become weak and sluggish and fail to climinate the uric acid which keeps accumulating and circulatnd fail to eliminate the uric according through the system, eventually setting in the joints and muscles causing iffness, soreness and pain called rheu-

At the first twinge of rheumatism et from any pharmacy about four unces of Jad Salts; put a tablesponiul in a glass of water and drink before creakfast each morning for a week. This is said to eliminate urie acid by atmulating the kidneys to normal action, thus ridding the blood of these impurities.

action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and list in the same is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which helps overcome uric acid and is benefits a policy kidneys as well.
