ASPIRIN

Name "Bayer" on Genuine

It's criminal to take a chance on any substitute for "Bayer" Tablets of Aspirin. Unless you see the name "Bayer" on package or on tablets, you are not getting genuine Aspirin, prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headache, Neuritis, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve tablets each few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monographs, Inc., of Salicylic Acid. Adv.

SAGE AND SULPHUR. DARKENS GRAY HAIR

It's Grandmother's Recipe to Restore Color, Gloss and Attractiveness.
Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Weyth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost. Don't say "try it!" No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application of two your hair becomes beautifully dark, glossy and attractive. Weyth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

SAYS ACID STOMACH CAUSES INDIGESTION

Excess of hydrochloric acid sours the food and forms gases.
Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells that indigestion is caused by Hyper-acidity, meaning, there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything eaten sours in the stomach much like cabbage, sauerkraut, etc. In a case of acid stomach, gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy lump in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea. He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescing and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.
Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.
