

The selection of the proper corset for your figure is more important than the selection of any other article of your wearing apparel.

As the corset tends to improve and set off your figure, so does it improve and set off at the same time the other articles of dress.

The special offerings of new MODART models which we are now making should be of interest to our patrons.

These models have been designed in collaboration with world famous modistes and express the last word in the season's fashions.

A trial fitting by our expert corsetiers will prove to you their smart styles. There is no obligation.

GREATER INTEREST BEING SHOWN IN FRIDAY'S ELECTION

A greater interest is being taken by the members of the Chamber of Commerce in the final election of directors than was taken in the primary.

In less than twenty-four hours after the ballots were mailed the members some thirty ballots had been returned to headquarters.

All ballots for the final election and referendum must be returned before 7:30 Friday evening, March 25, at which time they will be opened and counted by the election tellers.

The tellers are J. R. Woodford, Glenn O. Taylor, Alex Sparrow, John B. Goodrich, Charles F. Morris, W. E. Walker and George E. Gates.

Jackson County School Notes

Miss Helen Cowgill, assistant state leader of Boys and Girls clubs was in the county last week visiting the cooking and sewing clubs and giving instructions. There are twelve sewing and two cooking clubs in the county and the members are doing good work and looking forward to the county fair next fall with great interest.

Postmaster W. J. Warner of Medford has offered to give a setting of eggs from his pure bred White Leghorn chickens to any club member in the county who will agree to give him one pullet next fall after the state and county fairs. Many Poultry club members are taking advantage of this generous offer and boys and girls are writing in from all over the county for eggs.

There are at present 388 club members in Jackson county and more enrollments are coming in every day. This goes to show that our boys and girls appreciate the opportunity to learn to be better farmers and better homemakers. The enrollment to date is as follows: Sewing 202; Cooking 39; Homemaking 4; Home Beautification 5; Poultry 82; Robbets 15; Vegetable Gardening 8; Corn 10; Pigs 2; Potatoes 1.

The County Superintendent's office room at the county court house has been cleaned and the walls painted a buff color. It is now more than probable that a contagion of sunshine may emanate from this room along with the letters and literature that go from it. Who knows?

Basket ball games are still popular

Anita Stewart Has Entirely New Role

The Prouty Boosters' ball was to blame for it all!

And the theatergoers of Medford have the Prouty Boosters' Ball to thank for affording them one of the most appealing photoplays of the year in "The Fighting Shepherdess," screen version of the famous book by Caroline Lockhart, starring Anita Stewart and which will be seen at the Page theatre commencing tomorrow.

A Sennett comedy called "Wedding Bells Out of Tune," Paramount Magazine and Jeanette Butler playing selections from "The Sweetheart Shop" all go to make a wonderful evening's entertainment.

At the Rialto

In screen stardom, the name of Wallace Reid stands high. The popularity of this star is increasing by leaps and bounds and every new picture in which he appears, is heartily welcomed by his admirers. The announcement therefore, that Mr. Reid will be seen at the Rialto tomorrow in his latest Paramount photocomedy, "The Charm School," should be sufficient to fill the theater at every showing of the picture.

Mr. Reid never has had a more congenial role than that of the young superintendent of a young ladies' school. Among the fifty beautiful girl pupils is Lila Lee and when a romance develops between the superintendent

with our rural schools. Oak Grove has had three games with Boy Scouts team and other Medford teams, and is ready for a game with Lone Pine boys as soon as a date can be arranged.

The plans for the Home Reading course in our schools, both rural and town, are meeting with favor. The county librarian is co-operating with the county office in this work, and is to issue home reading certificates to any pupil who reads and reports on ten books selected from the reading course lists. It is evident that the librarians also of the branch libraries of the county are more than ready to help in connection with the course.

Local Teachers' Institutes are being arranged for in the county, and teachers who are winning professional certificates this year are wishing information as to dates. The first is to be held on April 2nd, at Rogue River; another on April 16th, at Phoenix; and a third at Trail, probably two or three weeks later. These institutions will be held at the school buildings, the morning sessions opening at 10:30.

Griffin Creek schools received the pupils of Oak Grove school last Friday afternoon for a contest in language, spelling and arithmetic. All the pupils concerned, grades 3 to 8, entered heartily into the "meet" and tension ran high. Fortunately the Griffin Creek pupils had provided two burros in way of amusement while scores were being counted, else the period of waiting could not well have been endured. The resulting scores were a tie, which means two more contests between these two schools.

and herself, there is something doing every minute. The story was written by Alice Duer Miller and was published in the Saturday Evening Post, also was a New York stage success. The climax is a surprising one and will interest every spectator.

MAN'S GREATEST POWER AT CHRISTIAN CHURCH

It was not "blue Monday" at the Christian church last night, as a large and appreciative audience was present and the subject, "Oh, You Foolish Girls" was not a sensational one as some might think. The text was from the bible where five virgins had their lamps trimmed and burning when the bride groom came and were admitted to the feast. The five foolish virgins, whose lamps were not filled and burning were not permitted to enter. The lesson was to be prepared when the Lord shall come.

Subject for tonight "What is Man's Greatest Power?" Dr. Law is an entertaining talker and you should hear him. Splendid musical program begins at 7:30.

LEGION INVITED TO HEAR DEBATE ON JAP QUESTION

A debate as to whether aliens, not eligible to citizenship, should be permitted to hold real property in the United States is what will take place at the Medford Chamber of Commerce forum tomorrow noon at the Holland hotel.

No one can deny but what this question is an issue in the United States and particularly so in the western states. The question also has two sides and it is unwise for anyone to draw any conclusion until the two view points have been given consideration.

The question will be debated by two high school students, Frank Buchter, a sophomore and Edwin Thomas, a senior. They are thoroughly prepared to argue the question as considerable time has been spent by both of them in the study of the question.

The forum tomorrow will be the second last one of the fiscal year—the 51st—and the forum committee will appreciate a good attendance by the members to round out the success of the Chamber of Commerce for the first year under reorganization.

Due to the interest in the question to be debated, the privilege of the forum tomorrow is extended to members of the Medford Post of the American Legion.

REBELLION IN STOMACH

"Pape's Diapepsin" at once ends Indigestion and Sour, Acid Stomach

Lumps of undigested food cause pain. If your stomach is in a revolt; if sick, easy and upset, and what you just ate as fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just take a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the pain, acidity, indigestion and distress. If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless stomach antacid is Pape's Diapepsin, which costs so little at drug stores.
