

### Local Briefs

T. M. Brown of Gold Hill and A. L. Sims are among the Jackson county men in Portland the fore part of this week.

It is impossible to even intimate what the main feature of the smoker will be at the Elks Thursday evening, April 7th, but we promise some real stunts.

J. B. Pardee and M. E. Blalock are visitors in Medford from Grants Pass who arrived yesterday.

Farmers attention! Have your wood cut now. No job too small and none too large. Phone 886-Y, Henry Wolf. Also one Briggs auto wood saw attachment for sale cheap.

B. O. force of Beagle, M. Winnickham of Jacksonville and W. G. Averill of Butte Falls are visitors in the city who arrived Tuesday.

C. C. Clarke, Otto Jeldness and O. F. Tainer are some of the local men interested in mining who left Monday to attend the international mining convention at Portland. Mrs. Tainer accompanied her husband to Portland.

Oregonians at the Medford are Mr. and Mrs. E. B. Miles of Wendling, Mr. and Mrs. M. E. Sweet of Eugene, Mrs. C. Mills of Roseburg, and Lee B. McKnight, G. M. Stern, H. C. Desler, A. J. Crist, C. R. Hausen and W. A. Kinney of Portland.

We want to pack the lodge room so tight Thursday evening that Gus Newbury will not have breathing room. You will agree with us that this will be some crowd.

Mrs. S. E. Dunnington of Jacksonville is visiting her son, C. B. Dunnington of Talent and keeping house for him while his wife is visiting relatives at Sallinas, Calif.

My motto: Not 'ow 'many' I can treat but how 'good' I can treat those I do. Dr. Coleman, Chiropractic and Natural Methods, N. E. & H. Bldg. 11\*

H. B. Sweltger of Boston, H. A. Frod of Newark, N. J., and C. A. Smith of Chicago are guests at the Medford.

There seems to be a great deal of discussion as to when was the largest attendance at the Elks lodge at any one time, of which the new stunts, wrestling and boxing Thursday evening promises to be a record breaker.

Mr. and Mrs. Leonard Carpenter returned Monday from their sojourn at Carmel, Calif.

A dancing party tomorrow night at the Natatorium. You are invited. Alford's Trio will furnish the music. Admission 75c. Ladies free.

Geo. Wolff, while trying to chase the mischievous boys off the roof of the opera house slipped and sprained his hip. It seems that the boys who were anxious to see the shows that have visited the opera house every night this week were looking through a ventilator and thereby breaking holes through the paper roof.—Gold Hill News.

Alfred A. Parkhurst, the well known Crater Lake development pioneer who has held the hotel and other concessions of the famous resort for years, with his son Asa L. Parkhurst arrived in the city this morning from Portland, to look over the general situation at this end for the coming season and to further look into some improvements planned by Mr. Parkhurst at the lake. They spent some time this forenoon in conference with Alex Sparrow, superintendent of Crater National park, in the latter's office, and may go to the Rogue River gorge some distance beyond Union creek during their stay here to view that vicinity in connection with plans Mr. Parkhurst has in mind.

During the early days of the war Clarence Reames was United States attorney for the district of Oregon. His work in prosecuting draft dodgers and war obstructors was so good that he was promoted, and made special federal prosecutor for the Pacific northwest region, a position which he held throughout the war, with headquarters in Seattle. He is now engaged in private practice in the Puget Sound city. Mr. Reames arrived in Portland yesterday morning to confer with his old associates, and registered at the Imperial. A younger brother, Charles Reames, recently resigned as assistant United States attorney for Oregon and engaged in private practice at Medford.—The Oregonian.

efforts of a newly-rich family to keep apace with the ways and vagaries of modern society forms the plot of one of the most entertaining offerings of the season. The title of the new piece is "Bringing Up Father at the Seashore" and which will be the latest Gus Hill triumph to be seen at the Page theatre tonight. This particular play which is brand new in every respect is based on the popular cartoons of the same name by George McManus in three acts and has the advantage of exclusive music, a large and competent cast and plenty of novelties heretofore unknown in the annals of similar attractions. If you have enjoyed the Jiggs and the Mahoneys in the confines of the pages of your favorite newspaper you certainly will more than be amused by this clever concoction of song, revelry, music, screams, action and joy!

**LAXATIVE for Aged People**

**THE BANE** of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial. Adv.
