And we are going to sell merchandise at the most remarkable, sensational, unparalleled, gigantic, soul-stirring event ever known and ever presented to the Buying Public of Jackson County or Southern Oregon. When you attend this distress sale, memories of all other sales will sink into utter insignificance.

To tell you in cold, hard print what awaits you here, would be impossible. We can only say to you, postpone all your engagements and when the sun rises on the opening day, Saturday, April 9th, make a bee-line for this store, for it's going to sweep the County like a cyclone.

Clothing, shoes, shirts, underwear, sox suspenders, hats, pants, and hundreds of other articles including a big stock of second hand goods, will be offered at prices beyond belief. Never, no, never, in your most exalted moments of imagination, have you ever pictured wanton slaughter and marvelous sacrifice of merchandise as in this disastrous sale.
