GOOD FELLOWSHIP DINNER CHRISTIAN CHURCH MONDAY

Preparations for the "Good Fellowship Dinner" for members of the Medford Chamber of Commerce and their guests have been completed and this is looked upon as one of the most auspicious occasions in the history of the chamber. Coming as it does at the close of a most successful year and at the beginning of one that gives evidence of a greater usefulness of the Chamber of Commerce, there is every reason why the members should get together in a "Good Fellowship Spirit" and again pledge their united support to make Jackson county and especially Medford a better place in which to live and to do business in.

All of those citizens who heard Jake Allen of San Francisco last year will have the opportunity to hear him again as he will make the address of the evening after the dinner. His easy manner, his thoughts framed in the most wonderful of word pictures and with a full control of a pleasing voice and personality guarantees his hearers of a profitable and interesting evening.

The dinner will be held in the basement of the Christian church next Monday at 6:30 p. m. and will be served by the Ladies' Aid of the church. The charge will be \$1.00 per plate. The grown-ups of the families of members of the Chamber of Commerce are cordially invited to attend.

A RAW, SORE THROAT

Heals Quickly When You Apply a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain.

Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite, colds on the chest. Nothing like Musterole for croupy children. Keep it handy for instant use.

ASHLAND HOLDS A SPECIAL BOND ELECTION APR. 26

ASHLAND, April 13.—The municipality will hold another special election on Friday, April 26. The issue involved will be a refunding one as applying to the issue of \$65,000 thirty-year serial bonds bearing six per cent. for payment, refunding and cancellation of various issues of improvement bonds, cost of paving and grading, and repaying moneys borrowed from certain funds, to the extent of \$62,554.89, also providing legal fees, etc., incident to sundry expense account in the sum of \$2,445.11. The improvement bonds to be refunded amount to \$46,600; paving and grading account, \$6625.78; reimbursement to the several funds for money borrowed, \$10,930. It cost \$4410 to pay taxes, attorneys fees, and other expenses connected with foreclosure of properties against which the city had delinquent improvement liens. The general fund being shy, recourse was had to the water, electric light and other departments to tide over emergencies. The street fund, for instance, profited thereby to the extent of \$2329, the recent purchase of a tractor having required \$1020, this being regarded as a first class investment. The refunding proposition does not add to the city debt, but merges the principal in a specific bond issue instead of being represented in a variety of debts. Interest is not to exceed six per cent. There will be two voting places only, the First ward at city hall, and the Second ward at the fire station on Fourth street.

Funeral services of the late John B. Mosier, who died April 10, were held at the family home, East Main street, Tuesday afternoon, conducted by Rev. C. F. Koehler, pastor of the Presbyterian church. Interment was in Mountain View cemetery. Deceased was a native of Pennsylvania and was born in 1855. He had been a resident of Ashland for 13 years, a major portion of which period was passed in the face of physical infirmity, a long weary vigil endured with a fortitude characteristic of the patient sufferer. He leaves a wife and several brothers, Miss Ruth Osburn, of this city, is a niece.

M. H. Ellis, employe in the Swift offices, has moved to the R. P. Campbell home on Bush street.

Word from Iowa announces the death of L. A. Marble, a former lessee of what was the familiar Camps photo studio of an earlier period. The deceased's home was at Marengo in the Hawkeye state.

L. L. Mullet, old time resident, and formerly cashier of the First National bank, has been revisiting familiar surroundings here of late.

Malta commandery, Knights Templar, will meet in special conclave on Wednesday evening, April 13. Work in the Order of the Temple.

The Sylvester Patterson family is receiving a visit from Mr. and Mrs. Oscar Faustel, of Madison, the latter of whom was formerly Lillian Patterson.

The Cinderella Card club's scheduled gathering for Monday evening has been postponed till April 18, at the Parish house.

The initial picnic of the season, accompanied by the first thunder storm of the year, took place at Table Rock on Sunday, the outing party from here numbering about a dozen.

Charles Ramsey died at his home in this city, 338 Scenic Drive, on Monday morning. Funeral services were held Tuesday afternoon at Dodge's chapel, interment being in Mountain View. Deceased was familiarly known as "Uncle Charley." He was 88 years of age, and though a native of Indiana, had been a long time resident of Texas, visiting the Lone Star state at intervals, although nominally his home was in Ashland. Typically patriarchal in physical appearance, his attributes were of the modest, unassuming order. His geniality was proverbial, and good humor found in him an ideal exponent. With these familiar traits so well remembered, it is no platitude to state that he will be missed by a wide acquaintance. His wife died several years ago. Several children survive him, among them Miss Amy Ramsey of this city. Another daughter, Mrs. Grover Page, residing at a distance, is here temporarily. Tom Hudson is a nephew of the deceased.

The Presbytery of Southern Oregon met in the local Presbyterian church on Tuesday and Wednesday of this week. Prominent among activities was a New Era conference conducted by Rev. E. P. Lawrence, new pastor at Klamath Falls.

Rev. K. K. Clark, of Portland, preached in the Congregational church last Sunday, and will repeat this official ministry April 17.

Some sort of restraining measure is being recommended to curb activities of the lithia callopo on city hall, which at intervals is more boisterous than a fog siren or whistling booby, either announcing a fire or summoning the police or electricians, at any

old hour day or night. An undue precipitation of lithia hot air seems to accumulate at this end of the pipeline, with the result that the system, in seeking to carry this peak load, gets short-circuited and vents its high-pressure disquietude by a sudden unearthly clamor.

Officers of the Monday Evening Study club include Mrs. Marcy, president, Mrs. C. L. Hanson and Mrs. E. E. Phipps being first and second vice-presidents respectively. Mrs. Harry Morrison is secretary. A "colonial dinner," with Mrs. Chas. L. Hanson, as hostess, at her home on Pine street, was a charming social event recently, both old time costumes and customs being cleverly delineated in a manner remarkably in keeping with the traditions of "auld lang syne."

"Knockers and Boosters" was the theme of Rev. Walter Evans, pastor of the Baptist church, last Sunday evening. The topic was somewhat qualified in defining just what ought to be knocked or boosted.

At a recent Degree of Honor convention held in Portland, Mrs. Wm. Myer was a duly accredited representative from the local affiliation of that order.

R. P. Campbell, the "Dick Pogy" of the valley, has gone south to begin an engagement with the Ellison-White chautauqua circuit. He has rented his home here, his two daughters entering school in the meantime in southern California.

Rev. J. H. Doran, rural mail carrier, finds time to help out the local clergy on divers occasions, having conducted services in both the Presbyterian and Methodist churches recently owing to absence of the respective pastors.

The chautauqua service has claimed another Ashland resident, Mrs. M. C. Reed having joined the lyceum course as a department superintendent.

DON'T RISK NEGLECT

Don't neglect a constant backache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills to have your friends and neighbors. A Medford case.

Mrs. J. H. Gustin, 521 S. Grape St., says: "I am always glad to say a good word for Doan's Kidney Pills because I know them to be a remedy of merit. I have been taking them off and on for years when I have felt the need for a kidney remedy and I have always received most satisfactory results. My kidneys have always been weak and the least little cold or strain affects them and makes my back weak and lame. A couple of boxes of Doan's Kidney Pills at those times, however, never failed to remove the misery and strengthen my kidneys." (Statement given March 18, 1916). Four years later, or March 20, 1920, Mrs. Gustin said: "I gladly confirm all I said in my former statement in favor of Doan's Kidney Pills, for they have never failed to give me good relief. I have always used them when I have had any sign of kidney disorder with fine results." 60c at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.
