EDEN PRECINCT

There has been an unusual amount of lagrippe in this precinct in the past few weeks. Among the victims, A. H. Hearn has been quite sick, as has Mrs. W. E. Anderson and Mrs. Donna Graffes.

W. J. Bean of Phoenix is quite ill of blood-poison from having run the point of a lead pencil into his arm. Dr. Malmgren has performed an operation on the injured arm and Mr. Bean is some better at this writing.

W. E. Anderson of East Eden, had the misfortune to cut his right hand badly with an ax while splitting wood, and is having to come to Phoenix once a day to have the wound dressed.

Mrs. Colver Furry is bringing off a fine hatch of young turkeys, having had the good luck to hatch nineteen turkeys fro mtwenty eggs. Mrs. Furry has about one hundred and sixty eggs set.

Mrs. Lizzie Stancliff is very low with pneumonia following an attack of the grippe.

Persons having telephones in the Phoenix rural line, are having to put up with a great deal of inconvenience owing to the workers on the Pacific Telephone lines interfering with local service.

Mr. and Mrs. Thurber Cole of Ashland, were guests at the home of Mr. and Mrs. C. Carey last Sunday.

Fred Neathammer of Phoenix, has been confined to his bed with an attack of the grippe, but is able to be about a little at this writing.

Word comes from Mrs. Wm. Carless in the east where she has gone to be with her son, Roland, that there is little hope of his recovery. Mrs. Carless tried to have her son transferred to some one of the army hospitals in the west, but his condition would not permit of his being moved.

Wednesday morning C. Carey found his garden almost ruined by a flood caused by the breaking of a reservoir owned by the Anderson place, which had broken during the night, and came down over the country between Careys and the Anderson ranch.

Mrs. Frost came down from Seattle to her daughter's home in Phoenix, where she will remain and care for her father, Mr. Thrasher, while Mrs. Carless is in the east with her son Roland.

Helped Her Little Girl

Children need all their strength for growing. A lingering cold weakens them so that the system is open to attack by more serious sickness. Mrs. Amanda Flint, Route 4, New Philadelphia, O., writes: "Foley's Honey and Tar cured my little girl of the worst tickling cough. I had tried many things and found nothing to help until I got Foley's Honey and Tar." Gives immediate relief from distressing, racking, tearing coughs. Sold everywhere. Adv.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold
