TOWNLEY, BOSS OF NON-PARTISANS IS DENIED NEW TRIAL

ST. PAUL, Minn., April 29.—The state supreme court today denied a new trial to A. C. Townley, president of the National Non-Partisan League and Joseph Gilbert, former organization manager of the league, convicted on a charge of conspiracy to teach sedition. The case was tried June 23, 1919.

Townley and Gilbert were found guilty July 12, 1919 by a jury in the Jackson county district court and sentenced by Judge E. C. Dean to 90 days in jail. Execution of sentence was delayed by appeals.

Charges against Townley and Gilbert were based on speeches the two men delivered in behalf of the non-partisan league.

Townley was reported in Broken Bow, Neb., last night and his counsel here could not say what would be the next move of the convicted pair.

Gilbert is serving a year's sentence in the Goodhue county jail at Red Wing, Minn., for conviction on an indictment charging him with interference with enlistments, in violation of a Minnesota statute, which was upheld by the United States supreme court.

BABY CAMEL WITH AL BARNES' CIRCUS

One of the most valued possessions of the Al. G. Barnes big 4-ring wild animal circus which comes to Medford Wednesday, May 4, is a baby camel, the only one of its kind in the country.

The camel was ushered into this world in the Pacific ocean on board a ship which brought to the United States the first consignment of wild animals to arrive since the World War ended, years ago. The young camel is described as being so ugly that it is really attractive looking. Like a calf it is built on lines striking for their clumsiness, the legs and ears being predominant. Mr. Barnes has not as yet named his newest find.

Camels and elephants born in captivity rarely live over a year or two, but Mr. Barnes has hopes that his unexpected addition to the camel section of his menagerie will shatter traditions in this respect.

The baby camel takes naturally to the circus parade, but causes its mother many moments of worry by insisting upon taking its own sweet time in covering the route, being as frequently a block or two behind the calliope as ahead of them. The baby camel will be seen in the Barnes circus parade here Wednesday, May 4, and also in the menagerie of the circus.

The Screen

At the Rialto

Two more days of "Drag Harlan," the Western photo-drama now playing at the Rialto theatre. Rarely has a photo-drama received such unqualified approval of critics and audiences as has this virile romance, "Drag Harlan," from the pen of Charles Alden Seltzer, is peculiarly fascinating, depicting as its chief character a supposed outlaw, whose very name struck terror to the hearts of men, women and children alike. His gun hand was so speedy that it was said that "Drag" was putting his guns away before the other fellow got started.

Uncle Tom's Cabin

At the Page theatre tomorrow, Stetson's "Uncle Tom's Cabin" will be here for a special Saturday matinee and evening. This is a revival of the classic of the American stage by Huxley Green, who has made every effort to produce it as it was in its hey day. The company numbers forty people, and the equipment includes Eliza's escape across the ice, ponies and other effects. A band of twenty colored entertainers, singers, musicians and dancers, appear in the plantation scenes and helps to lend realism to the play. A street parade will be given.

ELK CREEK

Mrs. Floyd Hutchinson who has been spending the last two weeks visiting with her mother in Ashland, returned home Saturday.

Ray Clary returned Saturday from a business trip to Ashland, bringing his sister, Miss Mollie Clary back with him for a few days visit.

There was a surprise on Mr. and Mrs. J. G. Clary Saturday, April 25. The neighbors on miles around attended. Every one had a good time, the party breaking up soon after midnight.

Mr. and Mrs. Floyd Hutchinson have moved into one of the hatchery houses, as Mr. Hutchinson has been appointed there.

The upper racks at the Rogue River Fishery station are almost completed.

Mr. and Mrs. S. W. Hutchinson took Sunday dinner with Mr. and Mrs. Oscar Stewart.

ASHLAND AND VICINITY

ASHLAND, April 29.—Plates were set for 300 at the Oregon Products banquet, held at Elks temple on Thursday evening, as a climax to the observance of Oregon Products week. Aside from floral embellishments, decorative effects were in orange and black, colors which also have predominated the current week in store windows in general, incident to elaborate displays of general merchandise. Banquet details were supervised systematically by a dozen or more committees, representing all phases of activity, including sale of tickets, table, piece a la resistance, cold meats, vegetables, potato, macaroni ala tomato. Salads, ice cream and cake, coffee, etc. Even the festive prune was not overlooked, that staple fruit being dished up in appetizing form and given a prominent place on the menu. The window display prizes were awarded subsequent to this dinner, H. J. Frank, president, and D. C. Freeman, manager of the Associated Industries of Oregon, being present and participating in the speeches, all of which were "pitched" on the keynote indicated through persistent effort and loyal co-operation on the part of community work in behalf of exploiting products of the state at large. The success of Products Week was established here in a commercial development way, not to mention the social significance which the banquet event attained. As a result the famine relief funds, notably in helping the starving Chinese, will be substantially increased. Most of the products entering into the banquet's menu were donated. The overhead charge being limited, the amount carried to profit of that fund will be generous, materially enhancing the \$1900 or more in individual contributions made earlier in the week.

The local unit of the W. C. T. U. observed its 36th annual anniversary, at the Presbyterian church, on Thursday, the county executive committee meeting at 11 a. m., with Mrs. H. P. Holmes county president, in charge. Luncheon was served at noon, the formal program beginning at 2:30. After hymn and prayer, papers were read by Mrs. Wilson and Mrs. Russell, Miss Pygall giving a reading. The address was by Rev. Walter Evans, pastor of the local Baptist church. Devotionals were led by Mrs. Slingerland, who by the way is about to leave Ashland, the family to take up a permanent residence in California, to the regret of a wide circle of acquaintances hereabouts. Vocal music selections were interspersed throughout the program, which was an unusually interesting one, replete with suggestions for meeting the problems facing the union's activities throughout county, state and nation. The valley towns were represented at this anniversary gathering, several being present from Medford.

At the Presbyterian church, on Sunday, May 1, W. J. Herwig, of Portland, will deliver an address on "America's Opportunities in the World Crisis." The speaker appears here under auspices of the Anti-Saloon league. The hour will be 8 p. m., and there will be no admission fee, a cordial invitation to attend being extended to all.

A major baseball game in the high school series will be played on local grounds, Saturday, April 30, between the Ashland and Grants' Pumas teams. The hour will be 2:30 p. m., and the admission 25c.

THE FAMILY FINANCES

THE business or farm may be running along all right, but how about the thrift of the folks? Is there more spending and less saving that necessary?

And yet, you can't expect the wife and kiddies, or even yourself to have as much interest or incentive as one of those "Nationalized" savings accounts at the First National will bring.

RHEUMATISM AND TEETH

In a recent examination of some hundreds of rheumatic patients in hospitals of Chicago, it was shown beyond the shadow of a doubt that defective teeth are detrimental to health. The constant association between abscessed teeth and chronic arthritis seems to be a coincidence, when found in from 74 to 98 per cent of all cases examined. It is practically a certainty that there is a direct relationship between the two conditions.
