

Local and Personal

Tomorrow will be circus day in Medford—that day with its unusual bustle, excitement, large crowds, parade, tinsel, glamor and wonder enjoyed by everyone, old and young, especially the latter. The Al G. Barnes animal circus is expected to arrive here early in the morning from California.

The Elks May day ball last night was one of the finest and most enjoyable dance affairs ever held in the history of the local lodge, with a large attendance of Elks and their ladies. The decorations of the large ball room and lighting effects were the finest ever seen there. A feature of the "feed" was the serving of individual pieces of cake, each with purple edges and with the figures "1168", the lodge number, worked in the frosting on its top. A ten piece orchestra furnished the music.

County Judge G. A. Gardner is authority for the statement that a contract calling for an addition to the county court house, to cost \$1600 has been let and that building operations will begin in the near future. The proposed improvement consists of a basement and single story structure to be erected at the rear of the county treasurer's office. The addition will be constructed of fire proof material and will be equipped as a vault, affording ample facilities for the safekeeping of county records. With the completion of this addition and the proposed shifting of county offices the present congested condition of affairs at the court house will be much relieved.—Jacksonville Post.

Adjutant General White has sent out a number of letters to employers in Oregon setting forth the claims of the National Guard of Oregon upon them and why men should be allowed to attend the annual training camp without prejudice and with full pay allowed them, the same as for any vacation time. He has received a number of encouraging replies. In several cases where men have been told that no vacation would be allowed and no jobs held for them if they went "in-soldiering," the letters of General White have caused a complete reversal of attitude.

Charm of Motherhood

THERE are many homes once childless that now are blessed with healthy, happy children, because Lydia E. Pinkham's Vegetable Compound restored the mother to a healthy, normal physical condition.

The following letters give the experience of two young women and prove the value of Lydia E. Pinkham's Vegetable Compound in such cases.

Chicago, Ill.—"I was always tired, my head always ached, and my back ached until I could hardly stand the pain. I doctored for years, and the doctor said nothing but an operation would help me, and that I could not have children. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles of it and it helped me wonderfully, and I now have a fine baby boy, thanks to what your medicine did for me in restoring my health. I can highly recommend the Compound to all women who suffer from female ills."—Mrs. Wm. R. R. 304 Willow St., Chicago, Ill.

Marinette, Wis.—"I was in a very nervous condition, was irregular, and could not have any children. I took doctor's medicine without success, and he advised an operation. My husband brought me one of your booklets and asked me to try Lydia E. Pinkham's Vegetable Compound. I soon felt benefited by its use, became regular, and now we have a fine baby girl after having been married nine years. I am always glad to recommend Lydia E. Pinkham's Vegetable Compound to my friends who suffer from such troubles."—Mrs. H. B. Herz, 330 Jefferson St., Marinette, Wis.

These letters should induce others to try
