

Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.

Dance at Eagle Point, Saturday night, May 7th. Majestic "4". 40*

The last car on passenger train No. 13 this morning was a private car from the Missouri, Kansas and Texas railroad, and the sight of it made A. W. Walker, who was coming down Central avenue in his auto, so homesick, he hurried over to the depot for a closer view. As the train pulled out he sat in his auto and threw kisses at the coach from his old home section until he suddenly discerned three amused women looking at him from out of one of the car windows. 40*

Time to Face the Facts

"So much has been said against the use of patent medicines that I have had a strong prejudice against them. But after four years doctoring with six different doctors, without results, for acute indigestion, gastritis, constipation, appendicitis and other ailments, I was said to recover. I was encouraged to try May's Wonderful Remedy, seeing what it had done for a friend similarly afflicted. I also was entirely relieved of my trouble, and am sure this medicine will do all and more than is claimed for it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Adv.
